

WEST HILLS ANIMAL HOSPITAL

New Graduate Medical Mentorship Plan

OUR PLAN

At West Hills we offer individualized learning that aligns with your goals and priorities.

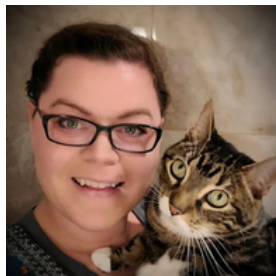

We encourage you to be part of the process in developing your learning goals by providing feedback on your comfort level with different areas.

We expect and welcome your questions so you can grow and build both your confidence and capabilities.

DEDICATED MENTOR

Dr. Stephanie Hengst

CONTACT US

PEER SUPPORT

- We have a culture of a collaborative practice. You are welcome to ask any colleague for feedback on a case.
- We are a 4 Veterinarian team, giving you access to multiple thought partners.

EDUCATIONAL RESOURCES

- Access to VIN, Plumbs online
- Structured Teaching:
 - New Graduate Mentorship Program with Dr. Michael Lawton
 - On-site Mentorship with Dr. Hengst and staff

GRADUAL START

- Work up to a full appointment & procedure schedule over the course of roughly 90 days.
 - *Subject to change based on comfort level
- Surgery Time
 - Work your way up to more complex procedures over time.
 - Additional CE learning opportunities.
