

Pet Medical Center and Spa

At Pet Medical Center and Spa in Fresno, California, we are passionate about delivering exemplary treatment to our animals and focus on a high standard of client satisfaction. Our empathy and professionalism have driven our hospital to set the bar in the field of veterinary medicine. Pet Medical Center is a full-service, progressive veterinary hospital with climate controlled boarding kennels, an outdoor walking area, relief area, and a water play feature. We also offer a regular doggie daycare service with our wonderful boarding staff. We provide a broad spectrum of diagnostic procedures through in-house testing and the use of external laboratories. We also work closely with local practices when special diagnostic procedures are required. The facility includes a well-stocked pharmacy, in-hospital surgery suite, in-house x-ray capabilities, state of the art ultrasound equipment, and a closely supervised hospitalization area. At Pet Medical Center we strive to offer educational tools to both clients and staff, as well as top tier veterinary care. We aim to facilitate the company of your fur friends for a maximum number of years. Our job is not only to treat your pet when he or she isn't feeling well, but also to help you and your best friend stay happy and healthy together through all stages of their life.
