My preference for this boarding stay is:

Standard Boarding Activity Package with Doggie Daycare Activity Package with Cuddle Time

If it is determined that your dog cannot participate in Doggie Daycare as selected, cuddle time will be substituted at our discretion. All pets must be spayed or neutered to participate in Doggie Daycare.

With activity packages:

Peanut Butter Kong once per day No Peanut Butter Kong, substitute Kong with wet food instead (EN).

Please add on the following, at an additional charge: Exit bath Nail Trim Add Dremel

Are there any medications your pet will be taking during this stay?

No Yes (We will review these with you)

All medications must be in their original, labeled container. Please do not separate them or mix them with food.

Are there any medical concerns you would like a doctor to examine your pet for during this stay?

No Yes (We will review these with you)

🐾 We cannot accept any personal items along with your pet (toys, blankets, leash/collar) as some items may pose a choking hazard and we cannot guarantee they will be returned to you.

🐾 All pets boarding with us must be up to date on the following vaccine and testing requirements:

Dogs: Annual exam with our doctor, Rabies, Distemper Combo, Leptospirosis, Bordetella, Canine Influenza Combo, and Fecal Test. Cats: Annual exam with our doctor, Rabies, Distemper Combo, and Fecal Test.

🐾 If your dog is overdue for any vaccines, we can administer them at the time of drop off. If rabies is due, it must be given by a doctor and an exam fee would be added to the charges for the stay.

🐾 Holiday rates are an additional charge per night and apply on the holiday, as well as three nights before and three nights after. Double-run rates may also apply for dogs that cannot be handled.
