ABOUT US

Our hospital was established in 2008 to respond to the emergency and critical care needs of our patients and families. Red Bank Veterinary Hospital acquired an existing practice in Hillsborough, New Jersey and began serving the community as Red Bank Veterinary Hospital, Hillsborough. Today, our Hillsborough location is proud to provide a variety of specialty services to the Central Jersey area.

OUR SERVICES

+ **24/7 EMERGENCY & CRITICAL CARE:** Experienced veterinarians and technicians are on premises at all times, to handle a wide range of medical and surgical emergencies.

🌿 **ACUPUNCTURE:** Safe, effective acupuncture treatments for patients with chronic pain and a variety of other conditions.

🏥 **ANESTHESIOLOGY & PAIN MANAGEMENT:** Dedicated specialists in anesthesiology & pain management ensure the comfort and safety of our patients by addressing their unique needs.

📈 **CARDIOLOGY:** Our Cardiology Department specializes in diseases affecting a pet's heart and lungs and treat acquired and congenital heart disease as well as pericardial disease.

📋 **INTERNAL MEDICINE:** Our Internal Medicine department is trained to diagnose and treat disorders affecting all systems of the body: gastrointestinal, urinary, hematologic, hepatic, endocrine, and respiratory systems.

👁️ **OUTPATIENT ULTRASOUNDS:** Ultrasounds can be used to identify problems involving many different body parts including: abdomen, chest, musculoskeletal, and neck. Our specialist can perform an ultrasound on an outpatient basis.

🔪 **SURGERY:** Our surgeon performs a variety of soft tissue and orthopedic procedures incorporating the latest equipment and techniques.
