

At a glance

WHO WE SERVE

Veterans from WWII to active duty, from all armed forces and at any stage of their careers.

WHO WE SAVE

Dogs and cats who are adult, special needs, or chronically homeless, and large breed dogs - those animals who are at greatest risk of death or long-term homelessness.

WHAT WE DO

Partner with animal shelters nationwide to place the most overlooked dogs and cats with military veterans, recruit veterinary partners to offer affordable pet medical care, and make pet adoption a reality for our nation's heroes.

WHY WE EXIST

To save the lives of people and pets through companion pet adoption.

Saving lives

AT BOTH ENDS OF THE LEASH

Companion pets give veterans a renewed sense of purpose, even a reason to live. They reduce the impacts of PTSD, depression, anxiety, and loneliness, and ease the hardships of deployments on military families.

Veterans get a chance to be heroes once more by saving the most overlooked shelter dogs and cats, giving them what is often their only chance for a second chance at life.

How our program works in 5 easy steps

1

Start the application process online at petsforpatriots.org or call us toll-free at 877-473-8223 if you do not have internet.
