

# Animal Specialty & Emergency Center of Brevard: Referral Portal

Streamline your referral process and access patient records at your fingertips

**1** Visit [animalspecialtyemergencycenter.com](https://animalspecialtyemergencycenter.com) to access the Patient Records and Referral Portal in the 'For Veterinarians' Section

Log in using the following credentials for your practice:

**Username:** \_\_\_\_\_

**Password:** \_\_\_\_\_

A login form titled "Primary Referring Veterinarian Login". It has a red header bar. Below the header, there are two input fields: "User Name" with the text "th797" and "Password (Case Sensitive)" with masked characters "\*\*\*\*\*". There are links for "User Name Help?" and "Password Help?". A red "Secure Login" button is at the bottom right.

**2** Click **Patient Referrals** in the top-left menu

A web interface for "Patient Chart". At the top right, it says "Welcome Back Test Hospital" and "Last Login on 3/24/2025 2:57:00 PM". A navigation bar includes "Refer Patient", "Patient Referrals", "Patient Chart", "Profile & Settings", "Password", and "Log Out". The "Patient Referrals" link is highlighted. Below the navigation bar, there are input fields for "Patient First Name (partial accepted)" and "Client Last Name (partial accepted)", a "Last Updated:" dropdown menu set to "Last Week", and a red "Search" button. A message in the center says "There has been no patient activity in the selected timeframe. Please select a wider timeframe under 'Last Updated' to the left." A "NOTICE" at the bottom states: "Our system is updated throughout the day, medical notes are uploaded as they are completed."

**3** Click **Refer Patient**

A process flow diagram titled "Refer Patient". It shows a sequence of five steps: 1. Referral Details, 2. Referring Veterinarian, 3. Client, 4. Patient, and 5. Review & Complete. Step 1 is highlighted with a red circle and a red arrow pointing to it from the left.

- 4** Follow prompts and fill out all required information.  
(Note: You can save this form and complete later if you need to pause)

1 Referral Details | 2 Referring Veterinarian | 3 Client | 4 Patient | 5 Review & Complete
