Our community has been in need of a team of veterinarians that are willing and able to take care of farm animal emergencies for a long time and we are so happy to say that IT IS FINALLY HERE!

We have partnered with Sound Equine to provide routine and emergency care for farm animals in need in our community.

Routine care is essential to help prevent emergency services in the first place so make sure to give us a call today to get an appointment! If emergency services are needed, give us (360-917-5887) or Sound Equine (360-779-5557) a call ASAP
