Thank you for taking the time to read our policies and procedures prior to leaving your pet with us. If there is anything you need clarification on, please don't hesitate to ask!!!

- 1) **Daily Charges:** Charges are based on how many nights your pet stays with us and accrue daily. If your pet requires insulin there will be an additional charge for the administration of insulin. Please be sure to discuss any medications your pet(s) are currently taking that will need to be administered during their stay with us. It is **HIGHLY** recommended that you bring a supply of your pet's regular diet to be fed while they stay with us, as upset stomach and diarrhea are common after boarding stays.
