- Spay or Neuter - The procedure is performed under general anesthesia. It includes a pre-surgical exam, pre-anesthetic blood work, I.V fluids, comprehensive monitoring, patient warming, and proactive pain management. *Patients with medical conditions that complicate a routine procedure or weigh over 50 pounds, will incur additional fee.*

For pets and the people who love them

Each pet is unique and at Brown Road Animal Clinic, we have plans specific to each pet's needs. We have established preventive care recommendations to ensure that every pet receives the highest level of care to live a long and healthy life.

Wellness plans for the life of your pet

- ✓ Plans for each life stage
- ✓ Affordable monthly payments
- ✓ Out of plan discounts for professional services
- ✓ Peace of mind knowing your pet is healthy

Our pets rely on us to keep them happy and healthy. PAW Plans make it easy for you to ensure they get the care they need to live their **best life**.

PAW Plans help your pet get the care they need to live a long and healthy life.

We treat your whole pet starting with routine office visits, vaccinations, lab work, spay/neuter and dentistry (determined by the age of your pet).
