

PawPlans®

**The Care Your Pet Needs.
*Made More Affordable.***

PawPlans® are an essential bundle of veterinarian-recommended services to help ensure your pet lives their best life, while saving you up to 25% annually.

PetOne
VETERINARY

A PawPlan for happy, healthy days ahead.

From the kitten you just brought home to the senior dog who's been by your side for years, PawPlans are tailored to their preventive care needs. Each plan includes annual, veterinarian-recommended services to protect your pet from common illnesses, establish health baselines, and enable early diagnoses.

PawPlans are here to keep your pet healthy from snout to tail and empower you to be the best pet parent to your best friend.

Maximize your savings on visits - up to 25% annually!

Every pet needs routine wellness care. PawPlans make it affordable and easy to budget for, **saving you up to 25%** on essential annual services. Unlike pet insurance, which covers unexpected illnesses, a PawPlan guarantees savings on the care your pet will need.

Bundled Savings

Services are bundled so that the savings can be passed along to you.

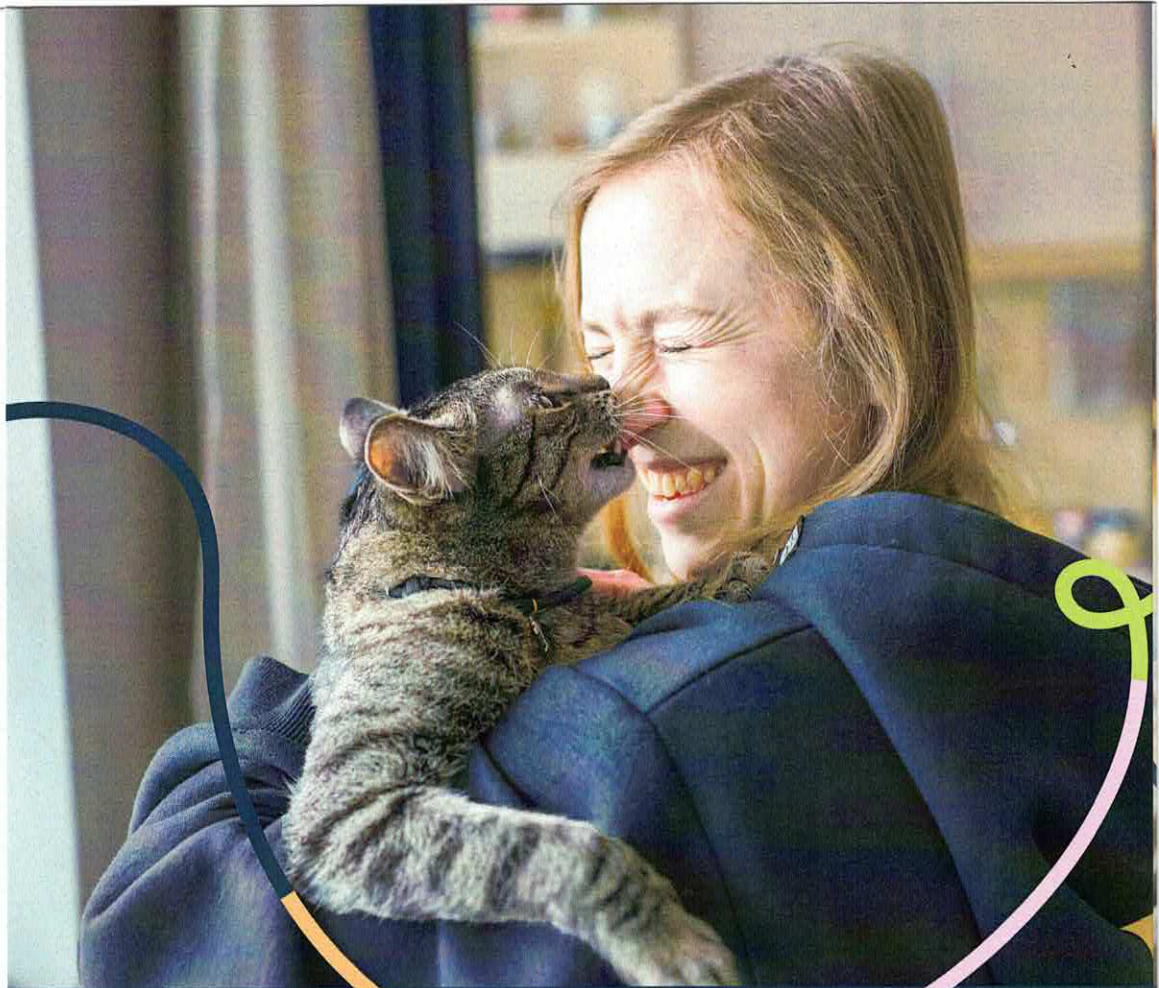

Easy Payment Options

Budgeting for pet care is easier and more affordable with monthly payment options.
