GROOMING

Our Professional Grooming services are designed to pamper our guests who want to go home looking and smelling their best. We offer a full-service dog grooming spa. All of our prices vary by breed and size, so please call for details or to make an appointment. Please note, vaccinations must be up to date.

TRAINING

Our training programs are designed to enhance your relationship with your dog through a "balanced approach," which means we utilize multiple methods, techniques, and approaches. Our system is designed to do three things:

- Teach dogs to obey verbal commands through a positive approach
- Teach how to maintain a dog's positive behaviors, and even improve them over time
- Ensure that the training "sticks" through ongoing support and coaching

Schedule a free training evaluation by calling (916) 221-7766.
