Licensed Veterinary Technician

Sumner Veterinary Hospital is a progressive, AAHA accredited, small animal hospital with a strong professional team. In addition to a full service general practice, we are also a 24 hour emergency and critical care facility.

We are looking to hire a couple of Licensed Veterinary Technicians (for day and overnight) for our busy, fast paced 12 doctor practice.

Job Responsibilities include:

- Assists the veterinarian during examination of animals, providing restraint as needed in order to work safely and effectively.
- Prepares and administer medications, vaccines, serums, and treatments, as prescribed by the veterinarian.
- Performs routine dental cleanings on animals under the direction of the veterinarian.
- Administers anesthesia to animals under the direction of the veterinarian and monitors animals' responses to anesthetics so that dosages can be adjusted.
- Obtains radiographs of animals with knowledge of proper positioning and techniques.
- Cares for and monitors the condition of animals recovering from surgery.
- Performs laboratory tests on blood, urine, and feces, such as urinalyses and blood counts, to assist in the diagnosis and treatment of animal health problems.
- Administers emergency first aid, such as performing emergency resuscitation or other life-saving procedures.
- Collects, prepares, and labels samples for laboratory testing, culture, or microscopic examination.

- Cleans and sterilizes instruments, equipment, and materials.
- Provides the veterinarian with the correct equipment and instruments, as needed.
- Fills prescriptions, measuring medications and labeling containers.
- Prepares animals for surgery, performing such tasks as shaving surgical areas and placing IV catheters.
- Maintains clean examination rooms and treatment areas.
- Works collaboratively with veterinarians and other team members to ensure that all animals are being cared for properly and moving through the system efficiently.

Skills and Basic Qualifications

- Certification as a Veterinary Technician (or equivalent experience in the state of WA)
- Excellent communication skills and the ability to work effectively and efficiently in a fast paced environment.
- Must be able to handle the physical and emotional aspect of work in a veterinary clinic environment, including the use of euthanasia.
- Models a professional and courteous manner with staff and clients.
- Commitment to ongoing educational development and growth.
- Must have active listening, critical thinking, complex problem solving, time management, judgment and decision making skills.
- Valid driver's license.
- Must be able to work nights, weekends, and holidays

Job Type: Full-time

Veterinary Assistant

Sumner Veterinary Hospital is a progressive, AAHA accredited, small animal hospital with a strong professional team. In addition to a full service general practice, we are also a 24 hour emergency and critical care facility.

We are looking to add both Licensed Veterinary Technicians (for day and overnight) and assistants for our current staff.

We offer:

A positive work environment that inspires teamwork

Heavy caseload that offers loads of experience and opportunity to use your skills

We need people who are able to multitask and who are detailed orientated.

We are looking for super techs - candidates who are educated, skilled and want to excel.

Veterinary experience is a MUST.

These are full time positions and the candidates must be willing to work nights, weekends, and holidays. Employee benefits include medical, dental, continuing education allowance, uniforms, paid time off, 401k, disability and more.

Wages are determined by the strength of the candidate.

If you are interested in joining our team please submit a cover letter and resume to Jackie P at the e-mail address provided. We look forward to hearing from you!
