

**Virginia Veterinary Disclosure Form**  
(Please Read Carefully Before Signing)

Augusta/Valley Animal Hospital has business and medical staffing hours as follows:

Monday – Thursday 7 a.m. – 7 p.m.  
Friday 7 a.m. – 6 p.m.  
Sunday 5:30 p.m. – 6:30 p.m. (pick up and drop off only)

I understand that Augusta/Valley Animal Hospital has no in-house, on-duty continuous medical staff care: overnight from closing time until opening time the next day, weekends from closing time Friday until opening time Monday morning, or holidays from closing time before the holiday until opening time the business day following the holiday.

All hospitalized animals are monitored and treated, as indicated, by the medical staff at night and at times when the hospital is not open for regular office hours. If your pet needs around-the-clock treatment and monitoring, it may be transferred (at your authorization and expense) to the Shenandoah Valley Regional Veterinary Emergency Services office.

I have read this form, and I am aware of the above staffing hours.
