

EMERGENCY VETERINARIAN - MENTORSHIP/TRAINING PROGRAM - COLORADO

Community Pet Hospital in Thornton, Colorado is a busy and growing 10+ DVM General Practice and 24/7 Emergency Medicine hospital. We have created an emergency medicine training program for those with a special interest in emergency medicine and who would benefit from a structured training program that includes one-on-one mentorship, hands on experience and a variety of didactic experiences. That which separates us from other programs is our ability to personalize the training and education to your specific needs and interests. The scope of the program is broad and at its end, you will feel comfortable navigating emergency medicine shifts on your own. This is a graduated salaried, full-time position with a creative structure to pave the way to your professional and financial emergency medicine growth and development.

We offer:

- Digital radiology
- Digital ultrasound with telemedicine radiologist review
- Digital dental radiographs
- Access to STAT rad review
- Full in house blood analyzers: IDEXX Procyte and Catalyst, I-Stat, Coag Analyzer
- In house urinalysis, fecals and cytology
- ECG, BP, SPO2
- Two locations to serve our loyal client base and accommodate same day/sick
- Collaborative team environment
- Mentorship and growth opportunities
- Flexible scheduling with work/life balance, including regular 3-day weekends & focus on self-care
- Prompt rounds to ensure shifts end on time
- Generous compensation and benefits package
- High production potential
- High staff to DVM ratio with skilled technicians
