Current fecal score (click here for the chart): _____

Have you noticed any change in your companion's bowel movements? Yes No

Does your companion currently have a good appetite? Yes No

Has your companion's appetite changed? Yes No

Describe the change and duration: _____

Does your companion beg for food? Yes No

Is your companion vomiting? Yes No

Diet History

If you currently feed by volume, what size measuring device do you use? (8 oz. measuring cup, coffee mug, handful, etc.)

Do you measure your companion's food with a kitchen scale? Yes No

For the below tables, please complete the version that applies for your companion. (ie. commercial diet versus homemade)

Commercial Diets, Snacks and Treats

(option for “not applicable” that will hide this chart)

Please complete both of the tables below.

Please be as specific as possible when describing the Brand and Product Name. Listing simply a brand name (e.g. Purina, Blue Buffalo, Science Diet) is not specific enough as these companies typically make numerous varieties of food.

Main Diet

Brand	Product Name	Type	Amount	Frequency	Dates Fed
<i>Example: Hill's</i>	<i>D/D duck</i>	<input type="checkbox"/> Canned <input checked="" type="checkbox"/> Kibble	<i>1/4c</i>	<i>Twice a day</i>	<i>2021-present</i>
		<input type="checkbox"/> Canned <input type="checkbox"/> Kibble			
		<input type="checkbox"/> Canned <input type="checkbox"/> Kibble			
		<input type="checkbox"/> Canned <input type="checkbox"/> Kibble			
		<input type="checkbox"/> Canned <input type="checkbox"/> Kibble			

Snacks and Treats

Please consider that snack and treats include commercial, table/people foods, dental hygiene products, rawhides, or food used to administer medications.

Do you give your companion treats? Yes No

Do you use food/treats to administer medications or supplement? Yes No

Brand	Product Name	Type	Amount	Frequency	Dates Fed
-------	--------------	------	--------	-----------	-----------

<i>Example: Royal Canin</i>	<i>Hypoallergenic</i>	<i>Treats</i>	<i>3-4</i>	<i>Per day</i>	<i>2021-present</i>

For Homemade Diet Ingredients

(option for “not applicable” that will hide this chart)

In case of a home-cooked diet (main diet) or added ingredients to the daily meals (as a snack/treat), please list the type of food (including specific cuts of meats or lean and fat % of ground meat products), the amount fed, and frequency of feeding. Indicate how long your companion has been on a home prepared diet. List each ingredient on one line in the following manner: *Chicken Breast, skinless - Boiled - 200 g, snack, 3 times a week – From July 2020*

Supplements

(option for “none” that will hide this chart)

Please list any supplements provided with the diet (for home-made diet) or separately (e.g. while feeding a commercial diet) in the bellow supplement section.

Please be as specific as possible, due to the quantity and variety of supplements on the market.

Brand	Product Name	Type	Amount	Frequency	Dates Fed
<i>Example: Sasha’s Blend</i>	<i>Joint and anti-inflammatory</i>	<i>Powder</i>	<i>1/4 tsp</i>	<i>Per day</i>	<i>2023-present</i>

The Patient’s Activity

How active is your companion on a scale of 1-10? Rate: 1 = Very Inactive (sleeps the majority of the day, rarely playful when exercised) vs. 10 = Very active (thoroughly enjoys exercise, often active inside or out)
Rating: _____

Where does your companion spend most of the time? Indoors Outdoors

Please describe the type of work or exercise (if any) your companion does on average per week:

Household and Feeding Management

Please describe any care not provided by the primary owner. (Day care, dog walker, boarding, etc.):

Who currently feeds your companion? _____

Number of family members at home: Adults _____ Children _____

Where is your companion fed? (Laundry room, kitchen, etc.): _____

Are there other animals in the household? Yes No

If yes, please include their names and species: _____

Does your companion have access to other companion food? Yes No

Is your companion fed from the same bowl as other companions in the house? Yes No

Does your companion ever gain access to the trash? Yes No

Has your companion experienced any: Weight Gain Weight Loss

Over what period of time has your companion gained or lost weight? _____

How would you describe your companion's weight? Overweight Ideal Weight Underweight

Ingredient Preferences for Homemade Diets (Inclusive for Adverse Food Reactions)

(option for "not applicable" that will hide this chart)

This section MUST be completed if a Home-Prepared Diet Formulation is requested or required.

Please select protein and carbohydrate preferences (examples are provided below). Diet recipes are typically formulated using one protein and one carbohydrate (in addition to other **essential** nutrient

supplements). Any special ingredient requests or combinations can be discussed with the Nutritionist prior to the final formulation.

Note: If the recipe is necessary for management of an adverse food reaction or allergy, please indicate which ingredients (if any) are known to be well-tolerated by your companion.

Primary Protein Ingredients	Primary Carbohydrates Ingredients
<input type="checkbox"/> Beef	<input type="checkbox"/> White rice
<input type="checkbox"/> Pork	<input type="checkbox"/> Brown rice
<input type="checkbox"/> Chicken	<input type="checkbox"/> Barley
<input type="checkbox"/> Turkey	<input type="checkbox"/> Oat meal (rolled oats)
<input type="checkbox"/> Lamb	<input type="checkbox"/> White potato
<input type="checkbox"/> Cottage cheese	<input type="checkbox"/> Sweet potato
<input type="checkbox"/> Eggs (chicken)	<input type="checkbox"/> Polenta (ground corn)
<input type="checkbox"/> Tofu	<input type="checkbox"/> Macaroni pasta (wheat based)
<input type="checkbox"/> Salmon	<input type="checkbox"/> Quinoa
<input type="checkbox"/> Tilapia	<input type="checkbox"/> Tapioca
<input type="checkbox"/> Tuna	<input type="checkbox"/> Millet
<input type="checkbox"/> Other:	<input type="checkbox"/> Green peas
	<input type="checkbox"/> Other

Known food allergies/sensitivities: _____

Please list any in ingredients you prefer to avoid: _____

Acknowledgment and Consent

I hereby confirm that I am over the age of 18 and I acknowledge that the information I've provided above is true and complete to the best of my knowledge.

I understand that my nutrition consultation will include the doctor's review of my companion's medical records as provided by my referring veterinarian and any other veterinary facilities that provide it, a thorough discussion of my companion's case and any recommended treatment options and estimates for potential costs. I understand that the appointment may be in-person or by telemedicine, and payment for services is due before the service will be provided, including but not limited to any fees for appointment, diet plans, evaluations, etc.

Full name: _____

Date: _____

**Thank you for completing this form and for choosing Central Toronto Veterinary Referral
Clinic for your companion's healthcare.**
