What are my obligations?

To avoid the policy being cancelled and claims being reduced or refused, the insured must:

When taking out this policy

- Provide the insurer with relevant, true and complete information allowing the insurer to underwrite the policy;
- Provide the insurer with supporting documents when requested;
- Pay the premium as detailed in the policy;
- Read the policy documentation carefully to ensure that it provides the cover needed and that all applicable terms and conditions are understood.

Once the policy is in effect

- Tell the insurer as soon as possible of any changes that arise and that may affect the cover;
- Take reasonable care to protect himself and his property against accident, injury, loss and damage and to minimize any claim.

In the event of a claim

- Contact the insurer to make the claim immediately after an event arises, in concordance with the terms and conditions and provide the insurer with all supporting documents enabling to process the claim;
- Inform the insurer in case of dual insurance and tell the insurer if the insured has received payment from another insurer for all or part of the claim.

When and how do I pay?

You will need to pay your policy premium in full in order for cover to apply. All cover will end if payment is incomplete or rejected, or if the policy is cancelled.

The premium can be paid using one of the payment options given to you by the seller of this insurance.

When does the cover start and end?

The start date and end date of your insured trip is stated on your insurance confirmation email. Cover for all sections starts at the beginning of your trip and finishes at the end of your trip.

All cover expires on the end date shown on your insurance confirmation email, unless you cannot finish your trip as planned because of death, illness or injury or if your booked transport is delayed and this cannot be avoided. In these circumstances, we will extend cover free of charge until you can reasonably finish the trip.

How do I cancel the contract?

If your cover does not meet your requirements, please notify TUI no later than the day before your trip starts.

In addition to the above, if the duration of your trip is more than 1 month you will still be able to terminate the insurance on or after the day your trip starts. You will only receive a refund of the premium you have paid for remaining days.

Your premium will be refunded unless you have made a claim, or intend to make a claim, in which case no refund will be due.
