- Take reasonable care to protect himself and his property against accident, injury, loss and damage and to minimize any claim.

In the event of a claim

When And How Do I Pay?

Premium is paid at the time of the travel insurance subscription, by the means of payment accepted at the time of the purchase.

When Does The Cover Start And End?

The cancellation cover starts from the date of purchase of the insurance policy and ends on the date of the trip departure indicated in the insurance policy.

How Do I Cancel The Contract?

If your cover does not meet your requirements, please notify TUI within 14 days of paying your premium and receiving your insurance confirmation.

Your premium will be refunded unless you are less than 2 weeks before your departure date, you have made a claim, or intend to make a claim, in which case no refund will be due.

If the period of insurance is 1 month or less, your cancellation rights are no longer valid after this initial 14 day period.

If the period of insurance is more than 1 month you will still be able to terminate the insurance until the coverage expires with a 1 month notice period.

You will only receive a refund of the premium you have paid for the remaining days after your notice period has ended.
