

## Proof of Contribution

With sincere gratitude to

*Mentimeter*

for the contribution of

*\$136,900.00*

going to fund projects part of

*The Climate Transformation Fund*

The Board of Directors of WRLD Foundation expresses its sincerest gratitude for your contribution to support high-impact projects that make a difference for climate and nature, based on your internal carbon pricing logic for Scope 1-3 emissions in 2023.

By supporting the Climate Transformation Fund, you are directly funding solutions needed to reach global net-zero. Each project in the fund has been selected in accordance with leading science, and has been validated by an external advisory board made up of experts within climate research, biodiversity, and nature restoration.
