

Make a baking soda snowman

Ingredients:

- 3 cups of Baking Soda
- 1/2 cup of hair conditioner (white)

Method:

- 1) Pour the 3 cups of baking soda into a mixing bowl.
- 2) Add in the white hair conditioner.
- 3) Mix together with your hands for a flaky consistency.
If the mixture is too wet/sticky, add more baking soda.
- 4) Spread the mixture out onto a flat baking sheet and make two balls.
- 5) Place one ball on top of the other and your snowman is ready to decorate.
