

# RECYCLED COLLAGE

## You will need

- Egg Carton
- Coloured paints
- Scissors
- Newspaper
- Glue
- Paintbrush
- Blank paper
- Magazines
- Other recycled materials

## Steps to create your collage

1. Gather your materials, such as old magazines and newspapers, egg cartons and cereal boxes. Along with your scissors, glue sticks and paint
2. **(Optional)** Pick a fun theme to guide the collage—like: Nature (trees, animals, flowers), recycled creatures or imaginary worlds.
3. Lay flat your blank paper and begin tearing off or cutting pieces of the magazine and newspaper to stick on, this starts the collage creation!
4. Add egg carton pieces and cereal box cut outs to your collage
