HANDPRINT DAFFODILS

You will need

- Yellow paint
- Green paint
- Paintbrush
- Child-safe glue
- A small cup/container
- Paper

Steps to create your daffodil

1. Set up paint, paper, glue, and craft materials (cups, tissue, yarn, etc.). Show a photo of mixed flowers to spark ideas
2. Use hands, brushes, or tools to create petals—any shape or pattern you like
3. Add a stem using the green paint
4. Choose a center: a cup, fabric, or something else creative
