- (d) The Licensee shall label each Cable installed by the Licensee on or after the date of this Agreement in the Communications Spaces, in each telephone closet through which the Cables pass, and, in addition, at any intervals and at additional locations that the Licensor might reasonably require. All terms and conditions of this Section 7 shall apply to any such subsequent amendment or supplement to the Plans and Specifications.
- (h) Prior to the installation of any additional Licensee's Equipment under this Agreement, the Licensee will also provide to the Licensor whatever information the Licensor reasonably requires concerning types of wiring casings, materials used in the Licensee's Equipment, sizes, capacities and other information which may be required having regard to building code, building safety, fire code, fire safety or similar governmental requirements or the requirements of the Licensor's insurers. Any person who accesses the Building Communication Spaces, or any other part of the Building which the Licensor designates, outside of normal business hours, may be required by the Licensor to be accompanied by a representative of the Licensor designated for that purpose and the cost of providing this form of accompaniment or supervision will be paid by the Licensee to the Licensor based on hourly wage and employment cost plus an administration fee of fifteen percent (15%). This escort fee shall not apply if it is recovered from tenants through the operating costs of the Building charged to them under their leases. In the event of any emergency the Licensee shall give to the Licensor as much advance notice as reasonably possible of its intent to enter the Communications Spaces and, within five (5) Business Days following the entry, shall provide to the Licensor a written report detailing the nature of such emergency, the corrective actions taken, and any other relevant information.
- (c) Nothing in this Agreement shall prohibit or otherwise restrict the Licensor and its representatives from having access to and to enter upon and into the Equipment Room or any Deemed Area for the purpose of inspections, conducting maintenance, repairs and alterations which the Licensor wishes to make in connection with the Building, or to perform any acts related to the safety, protection, preservation, or improvement of the Equipment Room, Deemed Area, or the Building or for such other purposes as the Licensor considers necessary. The Licensor will, however, except in case of an emergency, give the Licensee at least twenty-four (24) hours advance notice before entry into the Deemed Area and will, if so required by the Licensee, be accompanied by a representative of the Licensee if the Licensee makes a representative available for that purpose within forty-eight (48) hours of the Licensee's receipt of the Licensor's notice. In the event of an emergency, and unless the nature of the emergency renders such advance notice impracticable, the Licensor shall give to the Licensee as much advance notice as reasonably possible of its intent to enter the Deemed Area and, within five (5) Business Days following the entry, shall provide to the Licensee, upon request, a written report detailing the nature of such emergency, the corrective actions taken, and any other relevant information.

10. INSURANCE

- (a) The Licensee shall maintain in force, at its expense, during the Term of this Agreement and any Renewal Term, a policy of Commercial General Liability Insurance issued by an insurer acceptable to the Licensor, acting reasonably, insuring the Licensee and, as additional insureds, the Licensor, the Owner(s), any property manager or any lender that holds security on the Building that the Licensor may reasonably designate by written notice, only in respect of matters related to the operations of the Licensee in the Building, with a combined single limit of Ten Million Dollars (\$10,000,000.00) per occurrence for bodily injury or death or physical damage to tangible property including loss of use, physical damage to the Building and tangible property of the Licensor in the Building or bodily injury or death of the Licensor's employees, or bodily injury or death or physical damage to tangible property suffered by any of the customers of the Licensee and their employees in the Building. The Licensee's liability insurance may be composed of any combination of a primary policy and an excess liability or "umbrella" insurance policies, will contain owners' and contractors' protective coverage, standard non-owned automobile coverage, contingent employer's liability insurance, a cross liability and severability of interests clause, and will be written on an occurrence basis.
- (b) The Licensee will also maintain (i) an automobile liability insurance policy, and (ii) all risk property insurance on the Licensee's Equipment with a sufficient insured limit to cover its replacement cost and with a waiver of subrogation against the Licensor from the property insurers or, alternatively, the Licensee may self insure for the full replacement cost of the Licensee's Equipment.
- (c) The Licensee's Commercial General Liability insurance shall be primary insurance insofar as the Licensor and the Licensee are concerned, with any other insurance maintained by the Licensor being excess and non-contributing with the insurance of the Licensee required hereunder with respect to the extent of the negligence of Licensee and those over whom it is responsible in law.
- (d) The Licensee shall provide proof of such insurance to the Licensor prior to commencement of any construction and shall notify the Licensor, in writing, that a policy is cancelled or materially changed to the detriment of the Licensor at least thirty (30) days prior to such cancellation or material change. Annually, on the anniversary of the Commencement Date, or upon renewal of the respective policies as the case may be, the Licensee shall provide proof of such insurance in the form of insurance certificates signed by the Licensee's insurance brokers or its insurers' authorized representatives and in form, content, and detail consistent with the standard developed by ACORD (Association of Cooperative Operations, Research and Development) to the Licensor, acting reasonably.
- (e) The Licensor will maintain all risk property insurance on the Building.

11. RELEASE BY LICENSEE

In no event will the Licensor be liable to the Licensee and the Licensee releases the Licensor for:

- (a) any damage to the Licensee's Equipment, Equipment Room, and Deemed Area or loss of use of such property;
- (b) the quality, adequacy, compatibility or sufficiency of any Building Communication Spaces provided to the Licensee hereunder, it being acknowledged by the Licensee that all Building Communication Spaces are provided "as is" and "where is", the use of which is at the sole risk of the Licensee;
- (c) the activities of any third party, under the terms of another telecommunications access license or similar agreement, whether or not the party has been escorted while within the Building;
- (d) any claims resulting from lightning or other electrical current passing through the Building or facilities that cause any damage to the Licensee's Equipment or result in the interruption of any service by the Licensee;
- (e) the inadequacy of any utility service, or the loss of or the failure to provide any utility service save and except for the failure of the Licensor to provide reasonable prior written notice in accordance with Section 6. The Licensee acknowledges that interruptions in the supply of any services, systems or utilities are not uncommon in office buildings and the Licensee further acknowledges that it may (but is not obligated to) ensure that any sensitive Equipment in and on the Building is protected from any failure in supply or interruptions through the use of a UPS system, surge protectors and other appropriate safety systems and that the Licensor does not have any obligations in that regard; or
- (f) any damage, loss, cost or expense (whether below deductibles or not) which arises from damage to or loss of use of property referred to in paragraph (a), or damage to other property, in respect of which the Licensee maintains property insurance coverage or is required to maintain property insurance in accordance with the terms of this Agreement, whether the property insurance is provided by a third party insurer or the Licensee self insures, it being acknowledged that the Licensor, in requiring the Licensee to maintain property insurance or to self-insure, as provided above, does so with the intent that losses, regardless of how caused, are intended to be covered by that property insurance or self-insurance without any subrogation, claim or other claim associated with the loss or damage being brought against the Licensor.

This release extends to any acts or omissions of the Licensor but not to any negligent, grossly negligent or wrongful wilful acts or omissions of the Licensor except that for damage, loss, cost or expense referred to in paragraph (f) above, Licensor will only be responsible for any grossly negligent or wrongful wilful acts or omissions of the Licensor.

26

12. RELEASE BY LICENSOR

The Licensor releases the Licensee in respect of any damage, loss, cost or expense (whether below deductibles or not) which arises from damage to or loss of use of Licensor's property in respect of which the Licensor maintains property insurance coverage or is required to maintain property insurance in accordance with the terms of this Agreement, whether the property insurance is provided by a third party insurer or the Licensor self-insures, it being acknowledged that the Licensee, in requiring the Licensor to maintain property insurance or to self-insure, as provided above, does so with the intent that losses, regardless of how caused, are intended to be covered by that property insurance or self-insurance without any subrogation, claim or other claim associated with the loss or damage being brought against the Licensee.

13. LIENS

The Licensee shall be responsible for the satisfaction or payment of any liens for any provider of work, labour, material or services claiming by, through or under the Licensee. The Licensee shall also indemnify, hold harmless and defend the Licensor and Owner(s) against any such liens, including the reasonable fees of the Licensor's solicitors. The provisions of this Section shall survive termination of this Agreement. All such liens shall be removed within five (5) Business Days of notice to the Licensee to do so. The Licensor may, at the cost of the Licensee, pay money into court to obtain removal of a lien if the Licensee fails to do so, as required, and the Licensee will pay the cost to the Licensor including the amount paid into Court plus an administration fee equal to fifteen percent (15%) of the amount.

14. CONSEQUENTIAL DAMAGES – EXPANDED MEANINGS – AGENCY AND TRUST

- (a) Neither the Licensor nor the Licensee will be liable to the other (regardless of any other provision of this Agreement), in respect of any indirect, special, incidental or consequential damages including loss of revenue, loss of profits, loss of business opportunity or loss of use of any facilities or property, even if advised or aware of the possibility of such damages.
- (b) Wherever a release or limitation of liability is provided for under this Agreement in favour of the Licensor, it will be deemed to extend to and include the Released Licensor Persons. The Licensor acts as agent or trustee for the benefit of the Released Licensor Persons, and each of them, to allow them to enforce the benefit of this provision as well as the benefit of each release clause in this Agreement that is intended to benefit them.
- (c) Wherever a release or limitation of liability is provided for under this Agreement in favour of the Licensee, it will be deemed to extend to and include the Released Licensee Persons. The Licensee acts as agent or trustee for the benefit of the Released Licensee Persons, and each of them, to allow them to enforce the benefit of this provision as well as the benefit of each release clause in this Agreement that is intended to benefit them.

29

15. ASSUMPTION OF RESPONSIBILITY AND CONTROL

The Licensor reserves its right, on behalf of and as agent for the Owner(s) of the Building (where the Licensor is not the owner thereof) consistent with the applicable decisions and rulings of the CRTC, to request the Licensee to transfer responsibility and control of the Licensee's In-Building Wire to the Owner(s) of the Building. Such transfer shall be at the sole discretion of the Licensee and on terms and conditions acceptable to the Licensee. If the Owner(s) assumes responsibility and control of in-building wire installed by the Licensee, the Licensor (on behalf of and as agent for the Owner(s)) will be entitled to recover the reasonable costs of the maintenance and management of the In-Building Wire to the extent permitted by the CRTC.

16. ASSIGNMENT, SUBLICENSING, ENCUMBERING, SHARING OF SPACE AND EQUIPMENT BY THE LICENSEE

- (a) The Licensee shall not assign this Agreement in whole or in part without obtaining the prior written consent of the Licensor which consent may not be unreasonably withheld. Despite what is stated above, the Licensee may assign its rights under this Agreement, on a bona fide basis, to an Affiliate without the prior written consent of the Licensor, or to a purchaser of substantially all of the assets of the Licensee if: (i) the assignee executes an agreement with the Licensor to be bound by the terms of this Agreement and agrees to pay the reasonable costs of the Licensor incurred in connection with the preparation, negotiation and finalization of that agreement; (ii) the assignee (unless it is a purchaser described above) agrees in the agreement referred to above, that should it cease to be an Affiliate of TELUS Communications Inc., an assignment in respect of which the Licensor's consent is required as provided above will be considered to occur as of the date it ceased to be an Affiliate; and (iii) the assignee provides to the Licensor those reasonable particulars which the Licensor requires in order to satisfy itself concerning the requirements stipulated above, and provides to the Licensor reasonable advance notice to enable it to prepare, negotiate and obtain the execution of the agreement mentioned above and to satisfy itself that the requirements stipulated above are satisfied.
- (b) Subject to Section 19(b), no assignment whether to an Affiliate or otherwise, shall release the Licensee from any liability or obligation under this Agreement, unless the Licensor provides a release in writing.
- (c) Subject to Schedule "A-1", and except as required or mandated by the CRTC or as otherwise provided for in this Agreement, the Licensee will not sublicense, co-locate, share the use of, or otherwise provide the benefit of this Agreement to any third party telecommunication provider or other communication service provider and will not mortgage or encumber its rights under this Agreement in favour of any Lender without the Licensor's consent.
- (d) Notwithstanding any other provision of this Agreement, the Licensee is entitled to assign its rights under this Agreement to a bona fide lender without the consent of the Licensor, as collateral security for any bona fide, secured financing of all or

part of its business undertaking. However, this permission does not imply or allow the inference that the Licensor waives, or is willing to forbear from the exercise of its remedies under this Agreement, should an Event of Default occur, nor that any lender will have any greater rights than the Licensee in respect of this Agreement, including but not limited to the restrictions set out in this Section 16.

17. HAZARDOUS MATERIALS

The Licensee shall not install, bring, or use any Hazardous Substance into, upon or on the Building except telecommunications equipment batteries or other equipment, material or other items normally required in connection with the functioning of the Licensee's Equipment located in the Building in a manner and in quantities as necessary for the ordinary performance of Licensee's business in the Building, and provided that any such use is in compliance with all applicable laws. The Licensee shall indemnify and hold the Released Licensor Persons harmless from any claim, loss, cost, damage, or expense to the extent, and as a direct result of, any breach regarding the installation or use of any Hazardous Substance brought into or on the Lands or Building by the Licensee, including any and all costs incurred in remedying such breach.

18. EVENTS OF DEFAULT - TERMINATION REMEDIES

(a) Each of the following events shall be deemed to be an Event of Default by the Licensee under this Agreement:

(i) the Licensee defaulting in the payment of any License Fee, amount, or portion thereof, or other sum of money due to the Licensor and such default continues for more than five (5) Business Days, after written notification of such default by the Licensor to the Licensee;

there is interference with the telecommunications or computer equipment of the Licensor, any tenant, or any other occupant of the Building or any other telecommunications or computer devices provided in the Building by reason of, or as a result of, the installation, operation, maintenance, repair, or removal of the Licensee's Equipment, which interference is not cured within forty-eight (48) hours of the Licensee's receipt of written notice by the Licensor of such interference;

the revocation of the Licensee's permission to provide regulated or non-regulated telecommunications services by any governing entity authorized to permit or regulate the Licensee's providing of such services;

the Licensee's becoming insolvent, or the filing, execution, or occurrence of a petition in bankruptcy or other insolvency proceeding by or against the Licensee; or an assignment for the benefit of creditors; or a petition or proceeding by or against the Licensee for the appointment of a trustee, receiver or liquidator of the Licensee or a substantial portion of the Licensee's property or a proceeding by any governmental authority for the dissolution or liquidation of the Licensee;

29

- (v) the appointment of a receiver, receiver and manager, or other representative in connection with any default by the Licensee under any substantial loan or debt obligation;

the ceasing of the Licensee to carry on business in the ordinary course;
and

if the Licensee shall default in the observance or performance of any of the Licensee's other obligations under this Agreement and such default shall continue for more than ten (10) Business Days after written notification of such default by the Licensor to the Licensee or, where it is not reasonably possible to cure such default within ten (10) Business Days, the Licensee has not commenced reasonable steps to cure such default within the ten (10) Business Days and proceed with such actions in a diligent manner.

- (b) Upon or after the occurrence of an Event of Default the Licensor may elect to terminate this Agreement without limiting its other remedies, by providing written notice of termination to the Licensee, which termination shall be effective as of the date specified in the notice of termination.
- (c) If the Licensor shall default in the observance or performance of any of the Licensor's obligations under this Agreement and such default shall continue for more than twenty (20) Business Days after written notification of such default by the Licensee to the Licensor, the Licensee may terminate this Agreement effective as of the date specified in such notice of termination, without limiting its other remedies as against the Licensor. In the event of termination pursuant to this Section 18(c) or Section 25, the Licensor shall, on or before the effective date of termination, refund to the Licensee all Licensee Fees or other Fees paid in respect of the time period subsequent to the effective date of termination.

19. RESTORATION OBLIGATIONS

- (a) At the expiration or earlier termination of this Agreement the Licensee shall, at the Licensee's sole cost and expense, without permitting the registration of any liens against title to the Lands, remove the Entrance Cable, and all other items of the Licensee's Equipment except any part of it that by agreement between the Licensee and the Licensor has been acquired by the Licensor, and all of the Licensee's personal property from the Building. This obligation to remove the Entrance Cable and all other items of the Licensee's Equipment shall be subject to any CRTC-mandated obligations upon the Licensee to provide services to other TSP's. If any property that is required to be removed is not so removed within twenty (20) Business Days after the termination, the property may, at the Licensor's sole option, (i) be removed and stored by the Licensor at the Licensee's expense (and the Licensee will pay an administration fee equal to fifteen percent (15%) of the expense), or (ii) become the property of the Licensor without compensation to the Licensee. As of the date of such removal, neither

29

party shall have any claim against the other, except for claims or obligations that may have arisen or accrued prior to such termination or arise by reason of the Licensee's Equipment and other equipment or property removal, which claims or obligations shall survive such termination. The Licensee further covenants, at its sole cost and expense, to repair or refinish all damage caused by the operation or removal of the Licensee's Equipment. If the Licensee fails to repair or refinish any such damage, the Licensor may, in its sole discretion, repair or refinish such damage and the Licensee shall reimburse the Licensor of all costs and expenses incurred in such repair or refinishing and will pay to the Licensor an administration fee equal to fifteen percent (15%) of the cost. The Licensee will provide to the Licensor upon completion of the removal of the Licensee's Equipment an engineer's report confirming completion of the removal in accordance with this Agreement.

- (b) If due to CRTC mandated obligations upon the Licensee to provide services to other TSPs, the Licensee is not required by Section 19(a) to remove the Entrance Cable or other items of the Licensee's Equipment ("Exempted Items") then despite the expiration or termination of the Term of this License, all of the obligations of the Licensee under this Agreement will continue in full force and effect in respect of the Exempted Items except that the obligation to pay the License Fee will be suspended so long as the Licensee does not provide Services. That situation will continue (subject to the sentence following this one) until the Licensee's CRTC mandated obligations end and the Licensee removes the Exempted Items and restores damage as provided in Section 19(a). So long as, and to the extent a third party assumes responsibility and control of the Exempted Items, and the third party is bound by a telecommunications access agreement with the Licensor, or a successor of the Licensor, the Licensee will be exempted from its obligations in respect of the Exempted Items including (but not limited to) the obligation to remove the Exempted Items.

20. LICENSOR'S ALTERATIONS

Despite anything else in this Agreement (but subject to Section 2(e)), the Licensor may, at any time, if it acts in good faith, and makes reasonable efforts not to disrupt the Licensee's operations in the Building, make any changes in, additions to or relocations of any part of the Building; may grant, modify or terminate easements and any other agreements pertaining to the use or maintenance of all or any part of the Building, may close all or any part of the Building to such extent as the Licensor considers necessary to prevent the accrual of any rights in them to any persons; and the Licensor may also make changes or additions to the pipes, ducts, utilities and any other building services in the Building (including areas used or occupied by the Licensee) which serve any part of the Building. No claim for compensation shall be made by the Licensee by reason of any inconvenience, nuisance or discomfort arising from work done by the Licensor but the work will be done as expeditiously as is reasonably possible.

029

21. NOTICES

Any demand, notice or other communication to be made or given in connection with this Agreement shall be in writing and shall be deemed received by the recipient on the date of delivery, provided that delivery is made before 5:00 p.m. on a Business Day, failing which receipt shall be deemed to have occurred the next following Business Day. Until notified of a different address, as provided herein, all notices shall be addressed to the parties as stipulated on the Information Page. Notices given by electronic means will not be considered to have been given in writing.

22. LICENSEE'S EQUIPMENT TO REMAIN PERSONAL PROPERTY

Except as otherwise provided in this Agreement, the Licensee's Equipment, Entrance Cable and In-Building Wire shall remain personal property of the Licensee although it may be affixed or attached to the Building, and shall, during the Term of this Agreement, or any Renewal Term, and upon the expiration of this Agreement belong to and be removable by the Licensee.

23. LICENSE ONLY

This Agreement provides for the granting of licenses only and the Licensee acknowledges that the Licensee does not and shall not claim any interest or estate of any kind or extent whatsoever in the Building, Communications Spaces, or Equipment Room by virtue of this Agreement or the Licensee's use of the Building, Communications Spaces or Equipment Room. The relationship between the Licensor and the Licensee shall not be deemed to be a "landlord-tenant" relationship and the Licensee shall not be entitled to avail itself of any rights afforded to tenants at law.

24. LIMITATION OF LIABILITY

The obligations of the Licensor under this Agreement shall no longer be binding upon the then current Owner(s) if such Owner(s) sells, assigns or otherwise transfers its interest in the Building as owner or lessor as of the effective date of such sale, assignment or transfer, (or upon any subsequent licensor or owner after the sale, assignment or transfer by such subsequent licensor). If there is such a sale, assignment or transfer, the Licensor's obligations hereunder shall be binding upon the grantee, assignee or other transferee of the interest, and any such grantee, assignee or transferee, by accepting such interest, shall be deemed to have assumed those obligations. A lease of the entire Building shall be deemed a transfer within the meaning of this Section. For greater clarity, nothing in this Section releases the Licensor from any liability(ies) that may arise prior to the date of such sale, assignment or transfer herein.

25. SPECIFIC TERMINATION RIGHTS

In addition to the other termination rights provided to it in this Agreement, either party may elect to terminate this Agreement in each of the following circumstances, subject to giving at least thirty (30) days' prior written notice to the other party:

- (a) where the Building has been destroyed, or damaged to such an extent that it is not feasible to repair it within a period of one hundred and eighty (180) days after the damage;

- (b) where the Deemed Area or the Communications Spaces become damaged and, it is not technically or economically feasible to restore them within ninety (90) days after the damage;
- (c) where the Building is expropriated by a lawful authority;
- (d) where the Licensor, acting in good faith, wishes to redevelop, or otherwise alter the Building in such a manner as to, in the Licensor's opinion, make the relocation of any part of the Deemed Area or the Licensee's Equipment not feasible;
- (e) the Licensee is unable to secure, on terms and conditions reasonably satisfactory to it, all necessary consents, approvals, permits and authorizations of any federal, municipal or other governmental authority having jurisdiction over the provisioning of Licensee Services or any other matters required by the Licensee to provide Licensee Services; or
- (f) the Building is no longer a "Multi-Dwelling Unit Building" as defined by the CRTC.

26. ESTOPPEL CERTIFICATES

The Licensee will provide to the Licensor from time to time, within ten (10) Business Days of the Licensor's written request in each case, at no cost to the Licensor, a statement duly executed by the Licensee confirming that this Agreement is in good standing confirming, the Fees payable and the Fees actually paid to any date specified by the Licensor for the statement confirming the Commencement Date, the Term, any Renewal Term to which it claims to be entitled, and any other information that the Licensor reasonably requests pertaining to this Agreement or Building.

27. LICENSOR'S AUTHORITY

The Manufacturers Life Insurance Company and 2015500 ONTARIO INC. represents that it has full authority to execute this Agreement on behalf of, and as agent for, the Owner(s). Notwithstanding anything else contained herein, the obligations of the "Licensor" under this Agreement, whether express or implied, are the obligations of the Owner(s) and not The Manufacturers Life Insurance Company and 2015500 ONTARIO INC. .

28. SEVERAL OBLIGATIONS - NON-RECOURSE

The liability of each of the Owner(s) where there are more than one, is several and not joint, or joint and several and is limited to the interest of the Owner(s) from time to time in the Building.

29. ENTIRE AGREEMENT

The terms and conditions contained in this Agreement supersede all prior oral or written understandings between the parties and constitute the entire agreement between them concerning the subject matter of this Agreement. This Agreement shall not be modified or amended except in writing signed by authorized representatives of the parties.

30. LICENSEE'S REPRESENTATION

The Licensee represents to the Licensor and acknowledges that the Licensor relies upon this representation and would not have entered into this Agreement but for that representation, that, the construction, design and operation of the network to which the Licensee's Equipment is or may be connected includes or will include upon connection, redundant and back-up features so that the risk of damage, malfunction or disruption of the Licensee's Equipment disrupting service to customers or other third parties utilizing that network (except for telecommunication services between (i) the customers of the Licensee or the customers of telecommunication service providers that lease local loops from the Licensee to serve customers within the Building and (ii) persons communicating with those customers) is minimized.

31. FORCE MAJEURE

Without limiting or restricting the applicability of the law governing frustration of contracts, in the event either party fails to meet any of its obligations under this Agreement within the time prescribed, and such failure shall be caused, or materially contributed to, by force majeure, such failure shall be deemed not to be a breach of the obligations of such party under this Agreement, and the time for the performance of such obligation shall be extended accordingly as may be appropriate under the circumstances. For the purpose of this Agreement, force majeure shall include, but is not limited to: any acts of God, war, natural calamities, strikes, lockouts or other labour stoppages or disturbances, civil commotion or disruptions, riots, epidemics, acts of government or any competent authority having jurisdiction, or any other legitimate cause or event beyond the reasonable control of such party, and which, by the exercise of due diligence, such party could not have prevented, but lack of funds on the part of such party shall not be deemed to be a force majeure.

32. IMPLIED WAIVERS

A waiver by the Licensor or the Licensee of any breach of the terms, covenants and conditions of this Agreement shall not be deemed to be a waiver of the term, covenant or condition or of any subsequent breach of it or any other term, covenant or condition. No term, covenant or condition of this Agreement is deemed to have been waived unless the waiver is in writing and signed by the party purporting to provide such waiver, and then only to the extent provided for in the written waiver.

33. SEVERABILITY

If any provision of this Agreement or any part of a provision is found to be illegal or unenforceable then it will be severed from the rest of this Agreement and the rest of this Agreement will be enforceable, accordingly, except where the severance of such provision or part thereof shall result in the purpose and intent of the Agreement being frustrated or materially or adversely different from that of the Agreement prior to such severance. In the latter instances, either party may terminate this Agreement upon providing a minimum of thirty (30) days prior written notice to the other party.

34. GOVERNING LAW

This Agreement is governed by the laws of the province in which the Building is situated and all federal laws applicable therein.

IN WITNESS WHEREOF, the Licensor and the Licensee have executed this Agreement in multiple original counterparts as of the day and year first above written.

SCHEDULE "A"

DEEMED AREA

(The Deemed Area will be considered to have a floor area of at least Thirty (30) square feet regardless of its actual measurement.)

Location Plan for Deemed Area

SCHEDULE "A-1"

SPACE CONSOLIDATION

In this Schedule "A-1" the following definitions apply:

"Co-location": a co-location sharing of space permitted by this Schedule "A-1" of Related Party Equipment and Communications Equipment.

"Combined Area": the total floor area occupied by the Deemed Area or the Related Party Space resulting from a Co-location.

"Corporate Change": a corporate reorganization, amalgamation, merger, acquisition, divestiture or other corporate asset change, structural or organizational change involving the Licensee or a Related TLA Party where the change becomes effective after the date of this Agreement and the Related TLA Party is an Affiliate of, becomes an Affiliate of, or is merged or amalgamated with the Licensee.

"Minimum Area" : the minimum area upon which the annual License Fee is based under this Agreement, or upon which the TLA Fee is based if, in either case, the actual floor area of the Deemed Area or the Related Party Space is less than the minimum area.

"POP Room Equipment": cabinets, racks electronic equipment, panels and other equipment intended to provide telecommunications services to tenants and occupants of the Building.

"Related Party Equipment": POP Room Equipment owned by a Related TLA Party and installed in Related Party Space.

"Related Party Space" space leased or licensed to a Related TLA Party to house Related Party Equipment.

"Related TLA Party": a party, other than the Licensee, that is bound by a TLA and is involved in a Corporate Change.

"TLA" an agreement with the Licensor or the Owner(s) under which a licensee or tenant is permitted to operate or install POP Room Equipment in a Related Party Space.

"TLA Fee": the annual minimum or basic license fee payable under a TLA.

If, as the result of a Corporate Change, the Licensee determines that the Communications Equipment is redundant, or the Related TLA Party determines that Related Party Equipment is redundant, then the Licensee, on at least thirty (30) days notice to the Licensor may do one or more of the following:

- (a) at its cost, relocate the Communications Equipment to the Related Party Space, or permit the Related TLA Party to relocate its Related Party Equipment to the

Deemed Area (in which case the Licensor covenants and agrees to permit the Related TLA Party to terminate, without cost or penalty, the TLA as between the Licensor or Owner(s) and the Related TLA Party);

- (b) terminate this Agreement without cost or penalty, effective as of the date specified in the notice to the Licensor; or
- (c) if the Licensee has become the licensee or tenant under the TLA, terminate the TLA between the Licensor or Owner(s) and the Related TLA Party without cost or penalty, effective as of the date specified in the notice to the Licensor.

If a Co-location occurs, all costs reasonably incurred by the Licensor to alter the Building space, facilities or equipment to accommodate the Co-location will be recoverable by the Licensor as Recoverable Costs. The Deemed Area or the Related Party Space will only be increased in size or reconfigured if appropriate space is available in the Building. On the occurrence of a Co-location, the Licensee will no longer have any right to occupy the Deemed Area, unless the Related TLA Party gives up its right to occupy the Related Party Space.

If this Agreement is terminated, or the TLA with the Related TLA Party is terminated, then the License Fee or the TLA Fee, as the case may be, will be adjusted if necessary so that it is calculated on the basis of the greater of the Combined Area, and sixty (60) square feet.
