206   **Competitive Payphone Toll-free Tracking Report Service**

ITEM
206.1   **Service Description**

1.   Competitive Payphone Toll-free Tracking (CPTT) Report Service provides:

   a.   Competitive Pay Telephone Service Providers (CPTSPs) who subscribe to the Company's public pay-telephone access lines, as specified in TCBC General Tariff (CRTC 1005) Item 185, TCEI General Tariff (CRTC 25721) Item 5075, or the former TCI General Tariff (CRTC 18001) Item 416; or

   b.   agencies representing more than one CPTSP where the CPTSPs subscribe to the services identified in a. above (Agencies);

   with monthly call data for toll-free calling generated from the pay-telephone access lines subscribed to from the Company.

2.   CPTT Report Service shall provide, on a monthly basis, an electronic tracking report which reflects the call records for the previous month and which identifies the following information on completed toll-free calls per pay-telephone access line:

   a.   total number of toll-free calls generated;
   b.   each toll-free number called;
   c.   number of times each toll-free number was called; and
   d.   name of the toll-free service provider over whose network the toll-free call(s) were routed.

3.   At the CPTSP's request, the originating exchanges of the toll-free calls identified on the CPTT report will be provided by toll-free telephone number.

4.   Because the Commission has forborne, in Telecom Regulatory Policy CRTC 2009-19,   N
     with respect to the regulation of this service as set out in that decision, the Company |
     may also provide the service in this tariff at rates and on terms different from the |
     tariffed rates and terms pursuant to an agreement entered into between the Company |
     and a competitor that has been filed with the Commission for the public record. |

ITEM
206.2   **Conditions of Service**

1.   Any billing and collection arrangements between the CPTSP and the toll-free service providers identified in the CPTT Report are the responsibility of the CPTSP.

2.   CPTSPs or their Agencies are required to sign a non-disclosure agreement with respect to the information provided assuring that they will use this information for the sole purpose of billing toll-free service providers and will not disclose this information to any other party or for any other purpose.

3.   Toll-free calls completed through the use of the "Next Call" key on the pay-telephone keypad are included in the total calls identified on the CPTT Report.

ITEM

206.2   **Conditions of Service - Continued**

4. Toll-free calls initiated through the use of a dialing sequence associated with a toll-free service provider's toll platform are not included in the calls identified on the CPTT Report.

5. The CPTT Report includes all toll-free calls where the Company's billing records   F
    indicate that the call was completed.

6. All completed toll-free calls originating from the CPTSP's pay telephone will be included in the CPTT Report, except in limited situations where the call record cannot be captured by the Company due to technical limitations. |

7. The CPTT Report will be provided to the CPTSP or Agency who is the customer of record at the end of the monthly recording period reflected in the report.

8. The CPTT Report will be available following the first complete monthly recording period after date of subscription. This also applies to the provision of originating exchange data but from date of request.
