About TELUS

TELUS (TSX: T, NYSE: TU) is Canada's fastest-growing national telecommunications company, with \$12.9 billion of annual revenue and 12.7 million subscriber connections, including 8.6 million wireless subscribers, 1.7 million high-speed Internet subscribers, 1.4 million residential network access lines and 1.1 million TELUS TV customers. TELUS provides a wide range of communications products and services, including wireless, data, Internet protocol (IP), voice, television, entertainment and video, and is Canada's largest healthcare IT provider.

In support of our philosophy to give where we live, TELUS, our team members and retirees have contributed over \$482 million to charitable and not-for-profit organizations and volunteered more than 1 million days of service to local communities since 2000. TELUS' 12 Canadian community boards and 5 International boards have led the Company's support of grassroots charities and have contributed more than \$60 million in support of 5,595 local charitable projects, enriching the lives of more than 2 million children and youth, annually. TELUS was honoured to be named the most outstanding philanthropic corporation globally for 2010 by the Association of Fundraising Professionals, becoming the first Canadian company to receive this prestigious international recognition. TELUS has been named to the Dow Jones Sustainability Index for the past 16 years, a feat unequalled by any other North American telecommunications company. As detailed in our [TELUS Sustainability Report](#), our commitment to sustainability is inspired by nature to ensure a healthier future for us all.
