

ITEM

561 **K.W.P. Support Structure Service (B.C. Only)**

ITEM

561.1 **Service Description**

The provision of Company-provided support structure consisting of pole lines and duct systems for Knowledge West Partnership (K.W.P.) cable and associated hardware. F

ITEM

561.2 **Conditions of Service**

1. No cable support rates shall apply where the customer's cable facilities utilize privately-owned conduit systems which have been provided, under TCBC General Tariff (CRTC 1005), Item 97 B., Customer's Premises, by the owner, for Company telecommunication service requirements. However, the customer cannot utilize any of these privately-owned conduit systems without first obtaining expressed written permission from the Company. Furthermore, where K.W.P. cable placement is permitted, the customer shall reimburse the Company with no greater than 50% of the Company's engineering costs plus a reasonable charge for any applicable inspection upon receipt of an invoice.

ITEM

561.3 **Rates**

The customer shall pay the following rates and charges and is subject to all applicable terms and conditions of the Company's Tariffs.

Service Item	Monthly Rate	Service Charge (Notes 1,2)
1. For use of each Company pole, per contact	\$ 0.80 (Note 3)	---
2. For use of the Company's aerial facilities, each 30 metres of cable network (strand span)	General Tariff (CRTC 21461), Item 404.4	---
3. For use of the Company's duct facilities, each 30 metres of individual cable:		
- Type A	2.64	---
- Type B	1.98 (Note 4)	---
- Type C	0.87	---

Note 1: Installation of cable placed solely for the customer and Joint Entrance Cable shall be at Actual Cost.

Note 2: Joint Entrance Cable rates apply only where the customer's cables are being placed jointly with telephone cable.
