contractors' protective coverage, standard non-owned automobile coverage, contingent employer's liability insurance, a cross liability and severability of interests clause, and be written on an occurrence basis.

- (b) The Licensee will also maintain (i) an automobile liability insurance policy, and (ii) all risk property insurance on the Licensee's Equipment with a sufficient insured limit to cover its replacement cost and with a waiver of subrogation against the Licenser from the property insurers or, alternatively, the Licensee may self insure for the full replacement cost of the Licensee's Equipment.
- (c) The Licensee's Commercial General Liability insurance shall be primary insurance insofar as the Licenser, and the Licensee are concerned, with any other insurance maintained by the Licenser being excess and non-contributing with the insurance of the Licensee required hereunder with respect to the extent of the negligence of Licensee and those over whom it is responsible in law.
- (d) The Licensee shall provide proof of such insurance to the Licenser prior to commencement of any construction and notify the Licenser, in writing, that a policy is cancelled or materially changed to the detriment of the Licenser at least thirty (30) days prior to such cancellation or material change. Annually, on the anniversary of the Commencement Date, or upon renewal of the respective policies as the case may be, the Licensee shall provide proof of such insurance in the form of insurance certificates signed by the Licensee's insurance brokers or its insurers' authorized representatives and in form, content, and detail consistent with the standard developed by ACORD (Association of Cooperative Operations, Research and Development) to the Licenser, acting reasonably.
- (e) The Licenser will maintain all risk property insurance on the Building.
- (f) The Licensee will obtain, if applicable, boiler and machinery insurance on a repair and replacement basis on all equipment owned or leased by the Licensee or owned by others, but in the care, custody or control of Licensee and located within the Equipment Room.

11. RELEASE BY LICENSEE

- (a) In no event will the Lessor be liable to the Licensee and the Licensee releases the Lessor and all Releasees (as hereinafter defined) for:
- (i) any damage to the Licensee's Equipment, Equipment Room, and Deemed Area or loss of, access to or use of such property (provided there will be no denial of access to Licensee except in accordance with this Agreement);
 - (ii) the quality, adequacy, compatibility or sufficiency of any Building Communication Spaces provided to the Licensee hereunder, it being acknowledged by the Licensee that all Building Communication Spaces are provided "as is" and "where is", the use of which is at the sole risk of the Licensee;
- the activities of any third party, under the terms of another telecommunications access license or similar agreement, whether or not the party has been escorted while within the Building;
- any claims resulting from lightning or other electrical current passing through the Building or facilities that cause any damage to the Licensee's Equipment or result in the interruption of any service by the Licensee;
- (v) the inadequacy of any utility service, or the loss of or the failure to provide any utility service save and except for the failure of the Lessor to provide reasonable prior written notice in accordance with Section 6. The Licensee acknowledges that interruptions in the supply of any services, systems or utilities are not uncommon in office buildings and the Licensee further acknowledges that any sensitive Equipment in and on the Building will be protected by the Licensee from any failure in supply or interruptions through the use of a UPS system, surge protectors and other appropriate safety systems; or
- any damage, loss, cost or expense (whether below deductibles or not) which arises from damage to or loss of or use of property referred to in subparagraph 11(a)(i), or damage to property in respect of which the Licensee maintains property insurance coverage or is required to maintain property insurance in accordance with the terms of this Agreement, whether the property insurance is provided by a third party insurer or the Licensee self insures, it being acknowledged that the Lessor, in requiring the Licensee to maintain property insurance or to self-insure, as provided above, does so with the intent that losses, regardless of how caused, are intended to be covered by that property insurance or self-insurance without any subrogation, claim or other

claim associated with the loss or damage being brought against the Licensor.

- (b) This release extends to any acts or omissions of the Licensor but not to any negligent, grossly negligent or wilful acts or omissions of the Licensor except that for damage, loss, cost or expense referred to in subparagraph 11(a)(vi) above, Licensor will only be responsible for any grossly negligent or wilful acts or omissions of Licensor.
- (c) **Indemnity**
 - (i) Subject to Sections 12 and 14, the Licensee agrees to (a) defend, or, at Licensee's sole option, settle, and (b) pay any final judgment entered or final settlement agreed upon in connection with, any and all claims, demands and costs for damage and injury, including death, to the person or tangible property of any person, firm or corporation (except for the Licensor and its employees), including by any Customer, against the Licensor and the Releasees, arising out of the Licensee's use of or operations in the Deemed Area, the Building and the Lands, except that neither the Licensor nor any Releasee will be so indemnified or held harmless where the damage or injury arises out of the Licensor's own negligence or wilful misconduct. Licensee shall have the obligation and right to control and direct the investigation, preparation, defence and settlement of the claim, and Licensor shall reasonably cooperate with Licensee in the defence of the claim, including appearing as a witness, if necessary and providing statements, documents and other evidence, at Licensee's expense. Licensor shall provide Licensee with prompt written notice of any claim to be defended and/or settled under this subparagraph 11(c)(i). Licensor shall have the right to participate in the defence of any such claim with its own counsel, provided that Licensor shall be responsible for all costs associated with the defence of such claim by its counsel, unless:
 - A. Licensee or its counsel determines that it is inappropriate for Licensee's counsel to represent both Licensor and Licensee in regard to such claim; or
 - B. Licensee fails to or will not defend Licensor in regard to such claim or settle such claim after Licensor has given Licensee 10 days prior written notice requesting that Licensee commence a defence or settle such claim.
 - (ii) Subject to Sections 11(a) and (b) and Section 14, the Licensor agrees to (a) defend, or, at Licensor's sole option, settle, and (b) pay any final judgment entered or final settlement agreed upon in connection with, any and all claims, demands and costs for damage and injury, including death, to the person or tangible property of any person, firm or corporation (except for the Licensee and its employees), against the Licensee and the Released Licensee

Persons arising out of the Licensor's operations on the Building and the Lands, except that the Licensee will not be so indemnified or held harmless where the damage or injury arises out of the Licensee's own negligence or wilful misconduct. Licensor shall have the obligation and right to control and direct the investigation, preparation, defence and settlement of the claim, and Licensee shall reasonably cooperate with Licensor in the defence of the claim, including appearing as a witness, if necessary and providing statements, documents and other evidence, at Licensor's expense. Licensee shall provide Licensor with prompt written notice of any claim to be defended and/or settled under this subparagraph 11(c)(ii). Licensee shall have the right to participate in the defence of any such claim with its own counsel, provided that Licensee shall be responsible for all costs associated with the defence of such claim by its counsel, unless:

A. Licensor or its counsel determines that it is inappropriate for Licensor's counsel to represent both Licensor and Licensee in regard to such claim; or

B. Licensor fails to or will not defend Licensee in regard to such claim or settle such claim after Licensee has given Licensor 10 days prior written notice requesting that Licensor commence a defence or settle such claim.

(iii) Any and all release and indemnity clauses which are included in the License for the benefit of the Licensor are intended also to benefit the Affiliates of the Licensor, each owner of the Building and the Lands, mortgagees and property managers of the Licensor or such owners, the Affiliates of each owner that are related to the operation of the Building, as well as the officers, directors, shareholders, employees, agents, of the Licensor and of each one of such other persons for whom all or any of them is or are in law responsible (individually, the "Releasee" and collectively, the "Releasees"), and, for the purposes of such clauses, the Licensor is hereby acting as agent or trustee on behalf of and for the benefit of the Releasees.

The indemnities and releases in this Section shall survive the expiration or termination of this Agreement.

(b) "Customer" means a tenant or occupant of premises in the Building who purchases or subscribes for services from the Licensee.

12. RELEASE BY LICENSOR

The Licensor releases the Licensee in respect of any damage, loss, cost or expense (whether below deductibles or not) which arises from damage to Licensor's property in respect of which the Licensor maintains property insurance coverage or is required to maintain property insurance in accordance with the terms of this Agreement, whether the property insurance is provided by a third party insurer or the Licensor self-insures, it being acknowledged that the Licensee, in requiring the Licensor to

maintain property insurance or to self-insure, as provided above, does so with the intent that losses, regardless of how caused, are intended to be covered by that property insurance or self-insurance without any subrogation, claim or other claim associated with the loss or damage being brought against the Licensee. This release extends to any acts or omissions of the Licensee but not to any grossly negligent or wilful acts or omissions of the Licensee.

13. LIENS

The Licensee shall be responsible for the satisfaction or payment of any liens for any provider of work, labour, material or services claiming by, through or under the Licensee. The Licensee shall also indemnify, hold harmless and defend the Lessor and Owner(s) against any such liens, including the reasonable fees of the Lessor's solicitors. The provisions of this Section shall survive termination of this Agreement. All such liens shall be removed within five (5) Business Days of notice to the Licensee to do so. The Lessor may, at the cost of the Licensee, pay money into court to obtain removal of a lien if the Licensee fails to do so, as required, and the Licensee will pay the cost to the Lessor including the amount paid into Court, plus an administration fee equal to fifteen percent (15%) of such amounts as are paid by the Lessor.

14. CONSEQUENTIAL DAMAGES - EXPANDED MEANINGS - AGENCY AND TRUST

(a) Neither the Lessor nor the Releasees nor the Licensee nor the Released Licensee Persons will be liable to the other (regardless of any other provision of this Agreement), in respect of any indirect, special, incidental or consequential damages of Lessor, Releasees, Licensee or Released Licensee Persons, including loss of revenue, loss of profits, loss of business opportunity or loss of use of any facilities or property, even if advised of the possibility of such damages and whether or not such loss or claim may have arisen out of the negligence (including, without limitation, gross negligence) of the Lessor, the Releasees, the Licensee or any Released Licensee Persons.

(b) Wherever a release is provided for under this Agreement in favour of the Lessor, it will be deemed to include the Releasees. The Lessor acts as agent or trustee for the benefit of the Releasees, and each of them, to allow them to enforce the benefit of this provision as well as the benefit of each release clause in this Agreement that is intended to benefit them.

(c) Wherever a release is provided for under this Agreement in favour of the Licensee, it will be deemed to include the Released Licensee Persons. The Licensee acts as agent or trustee for the benefit of the Released Licensee Persons, and each of them, to allow them to enforce the benefit of this provision as well as the benefit of each release clause in this Agreement that is intended to benefit them.

15. ASSUMPTION OF RESPONSIBILITY AND CONTROL

The Lessor reserves its right, consistent with the applicable decisions and rulings of the CRTC, to request the Licensee to transfer responsibility and control of its In-Building Wire. Such transfer shall be at the sole discretion of the Licensee and on terms and conditions acceptable to the Licensee. If the Lessor assumes responsibility and control of in-building wire installed by the Licensee, it will

be entitled to recover the reasonable costs of its maintenance and management to the extent permitted by the CRTC.

16. ASSIGNMENT, SUBLICENSING, ENCUMBERING, SHARING OF SPACE AND EQUIPMENT BY THE LICENSEE

- (a) The Licensee shall not assign this Agreement in whole or in part without obtaining the prior written consent of the Licensor which consent may not be unreasonably withheld. Despite what is stated above, the Licensee may assign its rights under this Agreement, on a bona fide basis, to an Affiliate without the prior written consent of the Licensor, to a purchaser of substantially all of the assets of the Licensee if: (i) the assignee executes an agreement with the Licensor to be bound by the terms of this Agreement and agrees to pay the reasonable costs of the Licensor incurred in connection with the preparation, negotiation and finalization of that agreement; (ii) the assignee agrees in the agreement referred to above, that should it cease to be an Affiliate of the Licensee, an assignment in respect of which the Licensor's consent is required as provided above will be considered to occur; and (iii) the assignee provides to the Licensor those reasonable particulars which the Licensor requires in order to satisfy itself concerning the requirements stipulated above, and provides to the Licensor reasonable advance notice to enable it to prepare, negotiate and obtain the execution of the agreement mentioned above and to satisfy itself that the requirements stipulated above are satisfied.
- (b) No assignment whether to an Affiliate or otherwise, shall release the Licensee from any liability or obligation under this Agreement, unless the Licensor provides a release in writing.
- (c) Subject to Schedule "A-1", except as required or mandated by the CRTC and as provided for in this Agreement, the Licensee will not sublicense, co-locate, share the use of, or otherwise provide the benefit of this Agreement to any third party telecommunication provider or other communication service provider and will not mortgage or encumber its rights under this Agreement in favour of any Lender without the Licensor's consent.
- (d) Despite what is stated above, the Licensee will be permitted to assign its rights under this Agreement to a bona fide lender, as collateral security for any bona fide, secured financing of all or part of its business undertaking. However, this permission does not imply or allow the inference that the Licensor waives, or is willing to forbear from the exercise of its remedies under this Agreement, should an Event of Default occur, nor that any lender will have any greater rights than the Licensee in respect of this Agreement, including but not limited to the restrictions set out in this Section 16.

17. HAZARDOUS MATERIALS

The Licensee shall not install, bring upon, or use any Hazardous Substance into or on the Building except telecommunications equipment batteries in a manner and in quantities as necessary for the ordinary performance of Licensee's business in the Building, and provided that any such use is in

compliance with all applicable laws. The Licensee shall indemnify and hold the Released Persons and any party the Licensor is responsible for at law, harmless from any claim, loss, cost, damage, or expense resulting from any breach regarding the installation or use of any Hazardous Substance brought into or on the Lands or Building by the Licensee, including any and all costs incurred in remedying such breach.

18. EVENTS OF DEFAULT - TERMINATION REMEDIES

(a) Each of the following events shall be deemed to be an Event of Default by the Licensee under this Agreement:

(i) the Licensee defaulting in the payment of any License Fee, amount, or portion thereof, or other sum of money due to the Licensor and such default continues for more than Five (5) Business Days, after written notification of such default by the Licensor to the Licensee;

(ii) there is interference with the telecommunications or computer equipment of the Licensor, any tenant, or any other occupant of the Building or any other telecommunications or computer devices provided in the Building by reason of, or as a result of, the installation, operation, maintenance, repair, or removal of the Licensee's Equipment, which interference is not cured within forty-eight (48) hours of the Licensee's receipt of written notice by the Licensor of such interference;

the revocation of the Licensee's permission to provide regulated or non-regulated telecommunications services by any governing entity authorized to permit or regulate the Licensee's providing of such services;

the Licensee's becoming insolvent, or the filing, execution, or occurrence of a petition in bankruptcy or other insolvency proceeding by or against the Licensee; or an assignment for the benefit of creditors; or a petition or proceeding by or against the Licensee for the appointment of a trustee, receiver or liquidator of the Licensee or of any of the Licensee's property or a proceeding by any governmental authority for the dissolution or liquidation of the Licensee;

(v) the appointment of a receiver, receiver and manager, or other representative in connection with any default by the Licensee under any loan or debt obligation;

the ceasing of the Licensee to carry on business in the ordinary course; and

if the Licensee shall default in the observance or performance of any of the Licensee's other obligations under this Agreement and such default shall continue for more than ten (10) Business Days after written notification of such default by the Licensor to the Licensee.

- (b) Upon or after the occurrence of an Event of Default the Licensor may elect to terminate this Agreement without limiting its other remedies.
- (c) If the Licensor shall default in the observance or performance of any of the Licensor's other obligations under this Agreement and such default shall continue for more than ten (10) Business Days after written notification of such default by the Licensee to the Licensor, the Licensee may terminate this Agreement without limiting its other remedies.

19. RESTORATION OBLIGATIONS

- (a) At the expiration or earlier termination of this Agreement the Licensee shall, at the Licensee's sole cost and expense, without liens, remove the Entrance Cable, and all other items of the Licensee's Equipment except any part of it that by agreement between the Licensee and the Licensor has been acquired by the Licensor, and all of the Licensee's personal property from the Building. This obligation to remove the Entrance Cable and all other items of the Licensee's Equipment shall be subject to any CRTC-mandated obligations upon the Licensee to provide services to other TSP's. If any property that is required to be removed is not so removed within twenty (20) Business Days after the termination, the property may, at the Licensor's sole option, (i) be removed and stored by the Licensor at the Licensee's expense (and the Licensee will pay an administration fee equal to fifteen percent (15%) of the expense), or (ii) become the property of the Licensor without compensation to the Licensee. As of the date of such removal, neither party shall have any claim against the other, except for claims or obligations that may have arisen or accrued prior to such termination or arise by reason of the Licensee's Equipment and other equipment or property removal, which claims or obligations shall survive such termination. The Licensee further covenants, at its sole cost and expense, to repair or refinish all damage caused by the operation or removal of the Licensee's Equipment. If the Licensee fails to repair or refinish any such damage, the Licensor may, in its sole discretion, repair or refinish such damage and the Licensee shall reimburse the Licensor of all costs and expenses incurred in such repair or refinishing and will pay to the Licensor an administration fee equal to fifteen percent (15%) of the cost. The Licensee will provide to the Licensor upon completion of the removal of the Licensee's Equipment an engineer's report confirming completion of the removal in accordance with this Agreement.
- (b) If due to CRTC mandated obligations upon the Licensee to provide services to other TSPs, the Licensee is not required by Section 19(a) to remove the Entrance Cable or other items of the Licensee's Equipment ("Exempted Items") then despite the expiration or termination of the Term of this License, all of the obligations of the Licensee under this Agreement will continue in full force and effect except that the obligation to pay the License Fee will be suspended so long as the Licensee does not provide Services. That situation will continue (subject to the sentence following this one) until the Licensee's CRTC mandated obligations end and the Licensee removes the Exempted Items and restores damage as provided in Section 19(a). So long as, and to the extent a third party assumes responsibility and control of the Exempted

Items, and the third party is bound by a telecommunications access agreement with the Licensor, or a successor of the Licensor, the Licensee will be exempted from the obligation to remove the Exempted Items.

20. LICENSOR'S ALTERATIONS

Despite anything else in this Agreement, the Licensor may, at any time, make any changes in, additions to or relocations of any part of the Building; may grant, modify or terminate easements and any other agreements pertaining to the use or maintenance of all or any part of the Building, may close all or any part of the Building to such extent as the Licensor considers necessary to prevent the accrual of any rights in them to any persons; and the Licensor may also make changes or additions to the pipes, ducts, utilities and any other building services in the Building (including areas used or occupied by the Licensee) which serve any part of the Building. No claim for compensation shall be made by the Licensee by reason of any inconvenience, nuisance or discomfort arising from work done by the Licensor but the work will be done as expeditiously as is reasonably possible.

21. NOTICES

Any demand, notice or other communication to be made by given in connection with this Agreement shall be in writing and shall be deemed received by the recipient on the date of delivery, provided that delivery is made before 5:00 p.m. on a Business Day, failing which receipt shall be deemed to have occurred the next following Business Day. Until notified of a different address, as provided herein, all notices shall be addressed to the parties as stipulated on the Information Page. Notices given by electronic means will not be considered to have been given in writing.

22. LICENSEE'S EQUIPMENT TO REMAIN PERSONAL PROPERTY

Except as otherwise provided in this Agreement, the Licensee's Equipment, Entrance Cable and In-Building Wire shall remain personal property of the Licensee although it may be affixed or attached to the Building, and shall, during the Term of this Agreement, or any Renewal Term, and upon the expiration of this Agreement belong to and be removable by the Licensee.

23. LICENSE ONLY

This Agreement creates a non-exclusive license only and the Licensee acknowledges that the Licensee does not and shall not claim any interest or estate of any kind or extent whatsoever in the Building, Communications Spaces, or Equipment Room by virtue of this Agreement or the Licensee's use of the Building, Communications Spaces or Equipment Room. The relationship between the Licensor and the Licensee shall not be deemed to be a "landlord-tenant" relationship and the Licensee shall not be entitled to avail itself of any rights afforded to tenants at law.

24. LIMITATION OF LIABILITY

The obligations of the Licensor under this Agreement shall no longer be binding upon the Licensor if the Licensor or Owner(s) sells, assigns or otherwise transfers its interest in the Building as owner or lessor (or upon any subsequent licensor or owner after the sale, assignment or transfer by such subsequent licensor). If there is such a sale, assignment or transfer, the Licensor's obligations shall be binding upon the grantee, assignee or other transferee of the interest, and any such grantee,

assignee or transferee, by accepting such interest, shall be deemed to have assumed those obligations. A lease of the entire Building shall be deemed a transfer within the meaning of this Section. For greater clarity, nothing in this Section releases the Licensor from any liability(ies) that may arise prior to the date of such sale, assignment or transfer herein.

25. SPECIFIC TERMINATION RIGHTS

In addition to the other termination rights provided to it in this Agreement, either party may elect to terminate this Agreement in each of the following circumstances, subject to giving at least thirty (30) days' prior written notice to the other party:

- (a) where the Building has been destroyed, or damaged to such an extent that it is not feasible to repair it within a period of one hundred and eighty (180) days after the damage;
- (b) where the Deemed Area or the Communications Spaces become damaged and, it is not feasible to restore them within ninety (90) days after the damage;
- (c) where the Building is expropriated by a lawful authority;
- (d) where the Licensor wishes to redevelop, or otherwise alter the Building in such a manner as to, in the Licensor's opinion, make the relocation of any part of the Deemed Area or the Licensee's Equipment not feasible;
- (e) the Licensee no longer provides Licensee's Services in the Building;
- (f) the Licensee is unable to secure, on terms and conditions reasonably satisfactory to it, all necessary consents, approvals, permits and authorizations of any federal, municipal or other governmental authority having jurisdiction over the provisioning of Licensee Services or any other matters required by the Licensee to provide Licensee Services; or
- (g) the Building is no longer a "Multi-Dwelling Unit Building" as defined by the CRTC.

26. ESTOPPEL CERTIFICATES

The Licensee will provide to the Licensor from time to time, within ten (10) Business Days of the Licensor's written request in each case, at no cost to the Licensor, a statement duly executed by the Licensee confirming that this Agreement is in good standing confirming, the Fees payable and the Fees actually paid to any date specified by the Licensor for the statement confirming the Commencement Date, the Term, any Renewal Term to which it claims to be entitled, and any other information that the Licensor reasonably requests pertaining to this Agreement or Building.

27. LICENSOR'S AUTHORITY

Oxford Properties Group represents that it has full authority to execute this Agreement on behalf of the Owner(s). The obligations of the Licensor under this Agreement are the obligations of the Owner(s) and not Oxford Properties Group.

28. SEVERAL OBLIGATIONS - NON-RE COURSE

The liability of each of the Owner(s) where there are more than one, is several and not joint, or joint and several and is limited to the interest of the Owner(s) from time to time in the Building.

29. ENTIRE AGREEMENT

The terms and conditions contained in this Agreement supersede all prior oral or written understandings between the parties and constitute the entire agreement between them concerning the subject matter of this Agreement. This Agreement shall not be modified or amended except in writing signed by authorized representatives of the parties.

30. LICENSEE'S REPRESENTATION

The Licensee represents to the Licensor and acknowledges that the Licensor relies upon this representation and would not have entered into this Agreement but for that representation, that, the construction, design and operation of the Licensee's Equipment includes back-up, redundant and "fail safe" features so that the risk of damage, malfunction or disruption of the Licensee's Equipment disrupting service to customers or other third parties utilizing that network and equipment (except for telecommunication services between (i) the customers of the Licensee or the customers of telecommunication service providers that lease local loops from the Licensee to serve customers within the Building and (ii) persons communicating with those customers) is minimized.

31. FORCE MAJEURE

Without limiting or restricting the applicability of the law governing frustration of contracts, in the event either party fails to meet any of its obligations under this Agreement within the time prescribed, and such failure shall be caused, or materially contributed to, by force majeure, such failure shall be deemed not to be a breach of the obligations of such party under this Agreement, and the time for the performance of such obligation shall be extended accordingly as may be appropriate under the circumstances. For the purpose of this Agreement, force majeure shall include, but is not limited to: any acts of God, war, natural calamities, strikes, lockouts or other labour stoppages or disturbances, civil commotion or disruptions, riots, epidemics, acts of government or any competent authority having jurisdiction, or any other legitimate cause or event beyond the reasonable control of such party, and which, by the exercise of due diligence, such party could not have prevented, but lack of funds on the part of such party shall not be deemed to be a force majeure.

32. IMPLIED WAIVERS

A waiver by the Licensor or the Licensee of any breach of the terms, covenants and conditions of this Agreement shall not be deemed to be a waiver of the term, covenant or condition or of any subsequent breach of it or any other term, covenant or condition. No term, covenant or condition of this Agreement is deemed to have been waived unless the waiver is in writing and signed by the Licensor or the Licensee, as the case may be.

33. SEVERABILITY

If any provision of this Agreement or any part of a provision is found to be illegal or unenforceable then it will be severed from the rest of this Agreement and the rest of this Agreement will be enforceable, accordingly.

34. GOVERNING LAW

This Agreement will be governed by the laws of the province in which the Building is situated.

35. AUTHORITIES OF ACTION

Licensor may act in any matter provided for herein by its property manager and any other person who shall from time to time be designated in writing by Licensor to Licensee. Licensee acknowledges that if this Agreement has been executed for and on behalf of, in name of and with the authority of Licensor by the property manager then the covenants and agreements of Licensor are obligations of Licensor and its successors and assigns only and are not obligations personal to or enforceable against the property manager in its own right.

IN WITNESS WHEREOF, the Licensor and the Licensee have executed this Agreement in multiple original counterparts as of the day and year first above written.

SCHEDULE “A-1”

SPACE CONSOLIDATION

In this Schedule “A-1” the following definitions apply:

“Co-location”: a relocation permitted by this Schedule “A-1” of Related Party Equipment or Communications Equipment.

“Combined Area”: the total floor area occupied by the Deemed Area or the Related Party Space after a Co-location resulting from a Co-location.

“Corporate Change”: a corporate reorganization, amalgamation, merger, acquisition, divestiture or other corporate asset change, structural or organizational change involving the Licensee or a Related TLA Party where the change becomes effective after the date of this Agreement and the Related TLA Party is an Affiliate of, becomes an Affiliate of, or is merged or amalgamated with the Licensee.

“Minimum Area” : the minimum area upon which the annual License Fee is based under this Agreement, or upon which the TLA Fee is based if, in either case, the actual floor area of the Deemed Area or the Related Party Space is less than the minimum area.

“POP Room Equipment”: cabinets, racks electronic equipment, panels and other equipment intended to provide telecommunications services to tenants and occupants of the Building.

“Related Party Equipment”: POP Room Equipment owned by a Related TLA Party and installed in Related Party Space.

“Related Party Space”: space leased or licensed to a Related TLA Party to house Related Party Equipment.

“Related TLA Party”: a corporation, other than the Licensee, that is bound by a TLA and is involved in a Corporate Change.

“TLA” an agreement with the Licensor, or the Owner(s) under which a licensee or tenant is permitted to operate or install POP Room Equipment in a Related Party Space.

“TLA Fee”: the annual minimum or basic license fee payable under a TLA

If, as the result of a Corporate Change, the Licensee determines that the Communications Equipment, or that Related Party Equipment is redundant, then the Licensee, on at least thirty (30) days notice to the Licensor may:

- (a) at its cost. relocate the Communications Equipment to the Related Party Space, or permit the Related TLA Party to relocate its Related Party Equipment to the Deemed Area;

- (b) terminate this Agreement; or
- (c) if the Licensee has become the licensee or tenant under the TLA, terminate the TLA between the Licensor and the Related TLA Party.

If a Co-location occurs, all costs reasonably incurred by the Licensor to alter the Building space, facilities or equipment to accommodate the Co-location will be recoverable by the Licensor as Recoverable Costs. The Deemed Area or the Related Party Space will only be increased in size or reconfigured if appropriate space is available in the Building. On the occurrence of a Co-location, the Licensee will no longer have any right to occupy the Deemed Area, unless the Related TLA Party gives up its right to occupy the Related Party Space.

On the first day of the month following the month in which a Co-location occurs, the License Fee may, at the Licensee's option, be adjusted as follows:

- (i) if the both the License Fee and the TLA Fee are based on Minimum Areas, and the Combined Area is sixty (60) square feet or less, the License Fee will be increased so that it is based on sixty (60) square feet but so long as the TLA Fee, based the Minimum Area under the Related TLA Party continues to be paid it will be credited against that License Fee;

if Related Party Equipment is relocated to the Deemed Area and the Combined Area is greater than sixty (60) square feet, then the Combined Area may be reduced by thirty (30) square feet for the calculation of the License Fee, so as long as the Related TLA Party pays a TLA Fee based on at least thirty (30) square feet; or

if the Communications Equipment is relocated to the Related Party Space and the Combined Area is greater than sixty (60) square feet, then the License Fee will be calculated on only thirty (30) square feet as long as the TLA Fee is calculated and paid based on the Combined Area less thirty (30) square feet.

If this Agreement is terminated or the TLA with the Related TLA Party is terminated, then the License Fee or the TLA Fee, as the case may be, will be adjusted if necessary so that it is calculated on at least sixty (60) square feet..

EXHIBIT "I"

RECOVERABLE COSTS

The Recoverable Costs are the costs of:

- (a) architectural, mechanical and electrical consulting fees to provide or review architectural, electrical and heating, ventilating and air-conditioning design for construction of additional main terminal room or point of presence space (Equipment Room space), riser rooms and other areas requiring reconstruction to accommodate the installation of the Licensee's Equipment;
