Who we are

TELUS is Canada's fastest-growing national telecommunications company, with $13.3 billion of annual revenue and 13.1 million subscriber connections, including 8.9 million wireless subscribers, 1.7 million high-speed Internet subscribers, 1.3 million residential network access lines and 1.1 million TELUS TV® customers. TELUS provides a wide range of communications products and services, including wireless, data, Internet protocol (IP), voice, television, entertainment, video and home automation, including security. TELUS is also Canada's leading healthcare IT provider, and TELUS International delivers business process solutions around the globe.

In support of our philosophy to give where we live, TELUS, our team members and retirees have contributed more than $525 million to charitable and not-for-profit organizations and volunteered 8.7 million hours of service to local communities since 2000.

Together, we have infinite potential

Together, our highly engaged team
is making the future friendly,
by enabling remarkable human,
social and business outcomes
in all that we do.

Together, with the trust of our
customers, we are bridging
digital divides and redefining
what it means to be a
technology company in an
ever-changing digital world.

Together, with our communities,
we are championing social
change and leveraging technology
to help youth reach their
full potential.
