322.1**Service Description**

The Home Phone Feature Pack (the “Feature Pack”) provides customers who have the Company as their Local Exchange Carrier (“LEC”) at the time of billing, with the following:

- Residence classified Exchange Service; and
- 3, 5 or 10 Call Management Service features (“CMS Features”) as set out in General Tariff Item 300 (could include forborne voice mail services).

C

Customers of the Feature Pack can chose from either the Home Phone Plus 3 Features (which offers up to 3 CMS Features), Home Phone Plus 5 Features (which offers 4 or 5 CMS Features) or the Home Phone Plus 10 Features (which offers up to 10 CMS Features).

The Feature Pack also includes any Data Processing, Office Connection or Field Connection charges (the “Service Charges”) as set out in Former TCI General Tariff (CRTC 18001) Item 550, *Service Charges* in Alberta or TCBC General Tariff (CRTC 1005) Item 110, *Multi-Element Plan (MEP) Service Charges* in British Columbia that would otherwise apply when a customer initially subscribes to the Feature Pack or when a customer requests any moves, changes or service feature upgrades within the Feature Pack within the first 30 days of service.

ITEM
322.2**Conditions of Service**
