ADAPTER:

Polycom OBi302 ATA

Description: Home and business offices can maximize their current analog investment by keeping up to two analog phones or fax machines subscribed to up to four independently configurable VoIP services, one OBiTALK peer- to-peer voice service, and one POTS (Plain Old Telephone Service) subscription*.

Two-line VoIP adapter that prioritizes phone calls above other internet traffic coming through the LAN port to ensure users clearly hear every important word. Alternatively, with support of the T.38 fax standard, home and business office users can send and/or receive reliable facsimile calls over the Internet.

Pricing

\$100

TELUS Easy Payment

36 x \$3

*Requires Polycom OBiLINE USB FXO adapter

HEADSETS:

NOTE: TELUS does not sell Plantronics headsets. We encourage dealerships to buy it on their own through Amazon or Plantronics directly.
