ADAPTER:

Polycom OBi302 ATA

Description: Home and business offices can maximize their current analog investment by keeping up to two analog phones or fax machines subscribed to up to four independently configurable VoIP services, one OBiTALK peer- to-peer voice service, and one POTS (Plain Old Telephone Service) subscription*.

Two-line VoIP adapter that prioritizes phone calls above other internet traffic coming through the LAN port to ensure users clearly hear every important word. Alternatively, with support of the T.38 fax standard, home and business office users can send and/or receive reliable facsimile calls over the Internet.

Pricing

\$100

TELUS Easy Payment

ZTE MF288 Smart Hub

Device Overview

The ZTE MF288 provides Ultra-Fast LTE internet and provides backup support up to 20 Wi-Fi-enabled devices, such as smartphones, laptops, and tablets, keeping your office connected during an internet outage.

Pricing

April 27th, 2018

Monthly Charge: \$10 for 36 months

Device Price: \$360, Easy Pay only

Top Three Features

Ultra-Fast LTE Internet: Download speeds up to 750 Mbps on the TELUS 4G LTE network.

Connect multiple devices: Connect up to 20 Wi-Fi enabled devices at one time, plus four wired connections via Ethernet.

Backup battery: The 3000mAh removable backup battery can keep you browsing even in the event of a power outage.
