

ITEM 705 **Digital Network Service: OC12 Channel – Calgary - Fort MacKay AB**

ITEM 705.1 **Service Description**

This service provides one unchannelized OC12 digital network service between a customer premises in Fort MacKay, Alberta and a customer premise in Calgary-Killarney, Alberta. The customer premises in Fort MacKay, Alberta will be served from an alternate serving central office.

ITEM 705.2 **Conditions of Service**

1. This service shall be provided in accordance with the terms and conditions in the Company's Tariffs, including the General Terms of Service (Tariff CRTC 21461, Items 101-124, Tariff CRTC 18001 Items 25 and 26 and Tariff 1005 Item 97) as applicable) and the associated Item 705 Special Facilities Agreement (the Item 705 Agreement). In the event of any conflict or inconsistency between this tariff and the provisions of any written or unwritten agreement or arrangement with the Customer relating to this service, the Company's Tariffs shall govern.
2. Initial Service Period: One (1) year.
3. The cancellation charges payable by the Customer for cancelling the Services prior to the commencement of the Minimum Contract Period specific in Item 705.2.2 above or completion of installation of the Services are equal to (a) one half of the non-recurring service charge, plus (b) all costs or expenses (internal and external) incurred by TELUS in connection with or arising from design, planning, implementation, construction and installation of the Services and Service Components, up to and including the effective date of cancellation. The termination charge payable by the Customer for terminating the Services during the Minimum Contract Period is equal to one half of the monthly recurring charges remaining for the unexpired or remaining part of the Minimum Contract Period.
4. The Company is not responsible for performance of, or in default of, any obligation or provision of this service and the associated Item 705 Agreement where delayed, hindered or prevented by labour disruptions, failure of the networks of other companies, casualties, civil disturbances, legislation, regulation, judicial order, acts of civil or military authorities, accidents, fires, natural disasters or other catastrophes or events beyond the Company's reasonable control.
5. The Customer will provide appropriate space and power on the Customer's property to permit the Company to deliver the OC12 service. Maintenance of the space will be the responsibility of the Customer, and includes provision of appropriate access to TELUS' equipment for maintenance purposes.
