Mobile devices (units)	110,796 ¹	226,894	298,529	210,292

¹ Decline in mobile device recycling in 2020 was a result of fewer customers opting for in-store returns and exchanges during the COVID-19 pandemic health mandates. While TELUS continues to offer a pre-paid mail-in return program, more customers have opted for third party recycling and to keep their used devices.
