TELUS Pollinator Fund for Good – Year one impact report

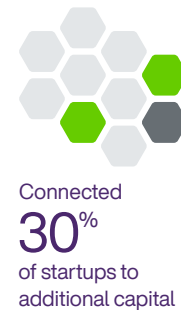

## Who we are

**The \$100-million TELUS Pollinator Fund for Good** is one of Canada’s largest corporate impact funds, powering the boldest, bravest ideas by for-profit startups that are dedicated to driving social innovation and building tech for good.

## What we do

We invest in early-stage startups led by diverse and mission-aligned founders who are addressing the world’s greatest challenges in four key areas:

-  Supporting responsible agriculture
-  Transforming healthcare
-  Caring for our planet
-  Enabling inclusive communities
