

Innovation Grants Letter of Intent

This Letter of Intent will help TELUS Friendly Future Foundation to determine if your project aligns with one of our 2022 priority areas:

- **Youth mental health**
- **Environmental education or climate action programs for youth**

Projects must be focused on helping youth who face obstacles to reaching their full potential. We prioritize projects that utilize technology in innovative ways. Please review full criteria at friendlyfuture.com. Upon submission of this Letter of Intent, you can expect to hear from us within 20 days. If you are invited to complete a full application, it must be submitted by September 15, 2022.

Please provide the information requested below and remember to save this file to your computer. Send completed Letter of Intent to info@friendlyfuture.com

Eligibility:

In order to verify if you are eligible for funding, please check if any of the boxes below apply to your project. If none apply, confirm “None of the above” at the bottom of the list.

This request is part of a capital campaign.

The funds will be used to reduce a capital or operating deficit.

The funds will be used to make a contribution to an endowment.

The funds will be used primarily for religious activities.

The request is for advertising or event sponsorship.

The project involved partisan political activities.

The project takes place outside Canada.

None of the above
