

Protect your privacy

Posting personal information like your full date of birth, address and phone number online can put you at greater risk of identity theft and fraud.

Did you know? Online quizzes can be harmless, but some are designed to uncover personal information, like your favourite colour or the street you grew up on, to help fraudsters gain access to your online accounts.

This poster is a part of the Smart Social campaign developed by TELUS Wise in partnership with the Canadian Association of Chiefs of Police. Smart Social encourages Canadian youth to be smart on social media, stay safe online and use technology responsibly.
