How to make a claim

Please call **us** as soon as **you** are aware of the **emergency**.

If **you** have just taken out the Home Assistance cover option **you** cannot claim within the first 14 days unless **you** are renewing an existing policy which already includes this cover option.

To obtain assistance, contact the 24 hour
emergency helpline on:
0345 607 6472

Please have as much information as possible to hand including **your** policy number, to enable **us** to assist **you** as quickly as possible.

What will happen next:

If **you** suffer an **emergency** at **your home**, **you** should tell **us** on the **emergency** telephone number. **We** will then:

- Advise **you** how to protect **yourself** and **your home** immediately;
- Validate **your** policy and arrange for one of **our** authorised contractors to get in touch with **you** to make an appointment or in some circumstances **we** may agree to settle **your** claim on a **reimbursement basis**;
- **We**, along with **our** authorised contractors under **our** delegated authority, will then manage **your** claim from that point onwards and keep **you** updated throughout **your** claim journey;

- **We** would always recommend that **you** arrange for a **permanent repair** to be completed by a qualified tradesperson as soon as possible, once **we** have carried out an **emergency repair** and contained the **emergency** for **you**, as this may only provide a temporary solution to the problem.

Conditions (Home Assistance)

Claims under the Home Assistance cover option can only be made by **you**, **your** immediate family, lodger or anyone calling on **your** behalf.

If the **emergency repair** costs more than £500, **we** will require **you** to contribute the difference, or subject to **our** prior agreement and on receipt of **your** engineer's fully itemised and paid invoice, **we** will pay **you** up to £500 including VAT as a contribution to a repair which **you** will arrange **yourself**, taking account of costs already reasonably incurred by **our authorised contractor**, for the initial visit. This will be in full and final settlement of **your** claim.

When **we** make a repair **we** will leave **your home** safe and habitable but **we** will not be responsible for reinstating it to its original condition, although **you** may find that this is covered under **your** buildings insurance.

In some circumstances **we** may find it difficult to deploy an **authorised contractor** to attend **your home** or deal with **your emergency** within a reasonable timescale. Examples of such circumstances are:

- Excessive demand
- Bad weather
- Industrial action
- Parts availability
- Availability of a specialist.

In these circumstances, **you** may, with **our** prior agreement, arrange for **your** own contractor to resolve **your emergency** and **we** will refund the cost of **your** contractor up to £500 including VAT.

Please provide a fully itemised invoice or receipt from **your** own contractor to support **your** claim for reimbursement. If a new boiler or heating system is installed, **you** will also need to provide the make, model, serial number and Gas Council number.

We will only reimburse the cost of the **emergency repair** applicable under the Home Assistance cover option.

Other insurance

If **you** make a claim for any liability, loss or damage that is also covered by any other insurance policy, **we** will only pay **our** share of the claim.

Getting our claims costs back

If **we** think someone else is at fault for a claim that **we** pay, **we** may follow up that claim in the name of anyone claiming cover under the Home Assistance cover option to get back the payments that **we** make.

Anyone making a claim under the Home Assistance cover option must give **us** any help and information that **we** need.

Parts availability

Availability of parts is an important factor in providing **emergency** repairs. If **our** engineer does not carry the spare parts needed on the day of **your** appointment, **we** will do all **we** reasonably can to find and install parts from **our** approved suppliers. **We** may use new parts or parts that have been reconditioned by the manufacturer or approved third parties.

We may not replace parts on a like for like basis but will provide an alternative suitable for containing the **emergency**. However, there may be times when replacement parts are delayed because of circumstances beyond **our** control.

In these cases **we** will not be able to avoid delays in repair; **we** will keep **you** informed throughout **your** claim.

There may also be occasions where parts are no longer available. In these situations **we** will ensure **your home** is safe and if required, **we** will arrange for **you** to receive a quotation for a suitable replacement item at **your** cost.
