Thank you for wanting to serve on the **2025 Florida College Dry Creek Camp Staff**. We are delighted to know of your interest in serving young people. The date of the Camp is **May 31 to June 7, 2025**.

Camp Purposes: The Camp has two purposes. The first is to provide young people with a recreational, educational and spiritual experience that will make a positive contribution to their whole being and be a week to eagerly anticipate every year. A second and closely related purpose is to introduce and to promote the advantages of attending Florida College. All applicants must be enthusiastic about our campers attending Florida College and eagerly participate in recruiting them. If this is not true, then this Camp is not for you.

How to Apply: In order to complete your Application, you need to do the following:

1. **Before you apply**, think carefully about whether you have the time for this commitment. This includes the following:
 - a. **For Cabin Counseling Staff, arranging your work schedule to be free from Saturday to Saturday the week of Camp (May 31 to June 7, 2025)**. Cabin Counselors live with and lead the campers all week. **For Support Staff applicants, it is Friday to Saturday (May 30 to June 7, 2025)**. Support Staff do not live with the campers but support all activities (sports, crafts, office duties, medical, etc.). For both groups, this means that you have secured the authorization from all appropriate authorities (bosses, wives, husbands, parents, deans, etc.). If this cannot be done by the time this Application is submitted, please indicate at the end of the **Online Application** when it will be certain.
 - b. **Attending two Staff planning and training sessions**. Serving on the Dry Creek Staff requires more than just the time and work of the one week at Camp. Many hours of planning and preparation throughout the year are a prerequisite of a successful camp. To aid this, we have two Staff meetings a year. The dates are **Saturday, October 5, 2024** and **Saturday, April 5, 2025**. We expect all of our Staff to place these dates above all other social commitments. Please carefully consider whether you have the time to be on the Camp Staff. We do at times select some who live too far to attend, but even these are encouraged to come if possible.
 - c. **Placing this commitment above all other social commitments**. We understand that there are unavoidable emergencies such as death and illness. Here, we are speaking of weddings, gospel meetings, sports games, graduations, family reunions, parties, etc. about which you have a choice. **If you are not prepared to forego all these other choices for Camp, this Camp is not for you.**
 - d. **Preparing all assignments before Camp**. Work assignments are made several months before the camp and all preparations (Bible lessons, crafts, skits, costumes, knowing sports team rules, etc., etc.) are expected to be completed before arriving at the Camp. We are emphasizing this because our experience has taught us that the making of a great Camp Staff begins with being prepared before you arrive at Camp and a great Camp Staff makes a great Camp. If you want more information on what will be required, please contact us.
2. **Complete the Online Application**, where you will indicate areas of interest and ability including any comments that will help us understand your choices. Be as complete as you can, because with more information, we can determine better where you can best serve. The **Medical Form portion** is mainly for getting you the proper medical help in case you cannot tell us. Your social security number is required in case of medical attention and/or a background check. It is not available to the public. Returning Staff Applicants must make certain that all prefilled information is currently correct. For instructions on how to apply, see below.
3. **If you are selected to serve on the Staff:**
 - a. You must complete a 30-minute online Child Abuse Awareness Video Training Course.
 - b. For liability insurance purposes, you must be a member of the FC Hutchinson Bell Alumni & Friends Association which is \$35 @year. More information will be emailed to all those who are selected to serve.

We strive to have most selections made by mid-September, college age by mid-January. We will contact you by email.

Each year we have more applicants than we have openings, so please do not be discouraged if you are not chosen. Some have chosen to patiently apply year after year until there was an opening. Others have indicated that they could come on short notice to replace any last-minute cancellations. There are times when we must go hunting for replacements, and we always start in our application file.

Within His service,

John
