4 POLICY DETAILS

4.1 Fees

ICHM determines and sets fees and scholarships on a yearly basis for the following year. Fees and scholarships can change from year to year. The initial letter of offer to a student will include details of the fees for the first year of study and will note that fees in later years may be different. Scholarship amounts set for all years of the course will be confirmed in the letter of offer.

The schedule of student contribution amounts and tuition fees for all subjects is published on the ICHM website on or before the earliest enrolment date so that students can access information about fees before they enrol.

Fees are due on or before the 'Payable by' due date shown on the invoice. All fees are payable in Australian dollars.

- New international students are required to pay the first semester fees upfront
- New Australian students and other FEE-HELP eligible students can pay in full or in part by the census date or defer their remaining or full tuition fees via FEE-HELP
- In subsequent semesters students can elect to pay via instalment.

Payments can be made via Flywire at <http://ichm.flywire.com/>.

All or part of tuition fees can be paid via instalments on an approved payment plan. The Finance Manager will issue a payment plan contract with terms and conditions on request. Any amounts not included in a payment plan are due on or before the payment date.

One uniform is provided to new students in the Bachelor of Business (Hospitality Management) free of charge when the student commences their study. Additional uniform items are charged at the rate applicable to the item/s ordered at the time of the order.

Fees are not charged for reassessment of assessment items and/or applications for Recognition of Prior Learning.

4.2 Overdue fees

Students will be contacted by ICHM in relation to overdue fees to arrange immediate payment.

Where the student is not able to be contacted and/or the payment remains outstanding for one week past the payment due date, ICHM may, at its discretion, advise the student of ICHM's intent to suspend the student from all classes until payment is received.

Where payment remains outstanding for 2 weeks or more after the payment due date, ICHM may, at its discretion, inform the student of its intent to cancel their enrolment.

Where ICHM intends to cancel the enrolment of an international student, ICHM will inform the student of the intent to cancel their Confirmation of Enrolment (COE) and report the student to the Department of Home Affairs. In accordance with Standard 9.4.1 of the National Code of Practice for Providers of Education and Training to Overseas Students 2018, the intent to report and cancellation of enrolment with ICHM will be on the basis of non-payment of fees.

Students can appeal a decision, or the intention to suspend or cancel their enrolment, in accordance with the Non-Academic Grievance Policy & Procedure which can be found on the ICHM website. The appeal would be at the second stage of the formal process. The student would be required to submit an appeal within 20 working days of receipt of the email indicating the intent. Where a student appeals a decision, the student will be allowed to return to classes during the period that the appeal is considered.

4.3 ICHM initiated refunds for International Students

Where a student is not accepted by ICHM after Genuine Temporary Entrant (GTE) assessment, the GTE assessment fee will not be refunded.

If ICHM withdraws an offer because that offer was made based on incorrect or incomplete information supplied by the student or via the student's education agent, fees are not refunded.

In the unlikely event that ICHM is unable to deliver the course of study, the Australian Government's Tuition Protection Service (TPS) will assist onshore students to find an alternative course or to get a refund if a suitable alternative is not found. For further information about the TPS, please go to <https://www.dese.gov.au/tps> and Section 4.6 below.

4.4 Student initiated refunds – Non FEE-HELP students

Where a student wishes to withdraw prior to course commencement, the New Student Fee is not refunded. If the student failed to fulfil the conditions in a conditional offer and wishes to withdraw prior to course commencement, the New Student Fee is not refunded.

Where a student wishes to withdraw from a unit or units of study after Course Commencement Date, they must advise the Program Director Academic in writing. The date the correspondence is received by the Program Director Academic is the effective date.

A withdrawal received on the date the unit of study (i.e. subject) commences, will receive a 50% refund of the tuition fee for that unit of study, less any unpaid amount.

After commencement of the unit of study, the refund will reduce by a consistent percentage of the tuition fee each week between the commencement date of the unit of study and the Census Date of the subject. The refund reduces by that percentage for each week commenced or completed. At the Census Date for the unit of study there will be no refund. Where the student wishes to withdraw after the Census Date, there will be no refund unless ICHM has assessed that the student has compassionate and/or compelling circumstances.

4.5 Student initiated refunds – FEE-HELP students

It is a policy of FEE-HELP that students can withdraw from a unit of study and obtain a full refund of their tuition fees until the Census Date. Please refer to the current FEE-HELP booklets located at <https://www.studyassist.gov.au/> to read the details. The Census Date is not less than 20% through the unit of study. Where a student wishes to withdraw from a unit of study, they must advise the Program Director Academic in writing. The date the correspondence is received by the Program Director Academic is the effective date. Where the student wishes to withdraw after the Census Date, there will be no refund unless ICHM has assessed that the student has compassionate and/or compelling circumstances.

4.6 Tuition Protection Scheme (TPS) for onshore students

In the unlikely event that ICHM is unable to deliver a course of study, the Australian Government's TPS will assist onshore students in finding an alternative course or where continuation of study is not possible, students may be entitled to receive a re-credit on their fee-help loan for units of study commenced but not completed. For further information about TPS, please go to <https://www.dese.gov.au/tps>.

The TPS ensures that these students are able to either:

- complete their studies in another course or with another education provider or
- receive a refund of their unspent tuition fees (international students) or a re-credit of their loan for open units of study (FEE-HELP).

The TPS Service Charter provides further information about the services provided by the TPS.

- [TPS Service Charter 2021 - print-friendly version](#)

ICHM fee paying domestic students are eligible for tuition protection assistance if a course has not commenced, or ceases after commencement but before completion, and the student has not previously withdrawn.

If ICHM defaults, ICHM will offer you the choice of either:

- a) assistance to move to another education provider who is delivering the same or a similar course. You can complete your studies at this new provider and not be charged for replacement units, OR
- b) getting a refund of the tuition fees for the units of study you had paid for and were unable to complete when ICHM defaulted.

However, if ICHM is unable to assist you the Tuition Protection Service (TPS) will contact you directly. The TPS will offer you the option to either receive a refund of tuition fees for affected parts of the course, or assistance to move to a similar replacement course.

The TPS can be contacted at: <https://www.dese.gov.au/tps> or phone 1300 980 434.

Student personal information that ICHM may collect and disclose about you to the Department of Education, Skills and Employment in relation to upfront payment tuition protection includes your:

- name, date of birth, contact details and identifiers (e.g., Unique Student Identifier),
- study arrangements and details including enrolments and course progress, and

Where a student visa application is refused for reasons other than those stated above, ICHM will refund Tuition fees paid in advance. The new student fee will not be refunded.

Where a student's visa is cancelled for reasons other than misconduct, the refund under "Student Initiated Refund – Non FEE-HELP" applies.

4.9 Refunds due to deferral

Where an international student wishes to defer a unit of study prior to commencement of the unit of study, all fees paid are rolled over to the following semester.

Where an international student wishes to defer a unit of study after commencement of the unit of study, the refund under "Student Initiated Refund – Non-Fee Help" applies.

Where a FEE-HELP student wishes to defer a unit of study prior to commencement of the unit of study, all fees are rolled over to the following semester or the student may apply for a full refund.

Refunds are paid in Australian dollars and will only be made if ICHM has already received cleared monies in its bank account.

Refunds may be paid to a third party (i.e. person or organisation other than the student) at the student's request; or where the payment was made by a third party and ICHM is required by Australian Law or by agreement to refund the original payer.

Students who wish to dispute a decision related to the offer pack/written agreement should do so in writing to the Chair of the Non-Academic Grievance Committee.

The full policy may be accessed on the [ICHM website](#).
