ABOUT US

Founded in 2010 by Róisín Lafferty, we are an award-winning interior design house fueled by our signature ambition to push the boundaries of what design can achieve. Our work emerges from a core belief that the spaces we occupy deeply impact our experience in the world— how we feel, how we think, and ultimately how we live. Every project we take on is an opportunity to enhance that experience for our clients, to pursue the unexpected while capturing something deeply essential about the material space and those who inhabit it.

Based in Dublin and hailing from around the world, we are a multidisciplinary team of architects, designers and marketing experts. Our studio embodies a global mindset while being rooted in a local perspective. In this way we are able to merge depth and authenticity with a bold and dynamic vision, creating an inimitable portfolio of environments that evoke imagination, captivate the senses, and give our clients something new every single time.

Like a couture gown expertly draped and sewn, a moment made timeless.

A monolith of marble floats, spiraling upwards through air.

A portal materializes in space, a passageway to a new world.

WE ARE HIRING

DESIGN DIRECTOR

Róisín Lafferty is seeking an exceptional Design Director to join the studio at a defining point in its evolution. At the heart of the design house, the Design Director will work directly alongside Róisín Lafferty, Founder & Creative Director, in the development and realisation of the studio's creative vision.

Working across an ambitious portfolio of high-end residential and hospitality projects in Ireland and internationally, the Design Director will bring exceptional design instinct, depth of experience and an exacting eye, translating concepts from their earliest expression through to final execution.

Driven by a pursuit of originality, craftsmanship and the unexpected, projects are conceived as complete worlds, shaped through considered spatial design, expressive materiality and bespoke detail. The Design Director will lead, inspire and elevate the studio's design team, providing strong creative leadership while ensuring the strength and clarity of each concept is carried through every detail and realised without compromise.

For the first time, Róisín Lafferty is opening one of its most senior and creatively influential positions, for an accomplished design leader with the instinct, ambition and experience to make a meaningful contribution to the continued evolution of the design house.
