

Last chance to have your say in our annual survey

17 December 2020

Our Annual Survey of MPs and Staff for 2020 closes tomorrow, so this is your last chance to have your say and give us your feedback.

We have carried out a survey each year since 2011 to gain your feedback to help us understand your needs, improve our support and plan effectively for the coming year. The survey is aimed at individuals who regularly work with IPSA and use IPSA Online.

The survey will take around five minutes to complete. All responses are anonymous and the information will be held in compliance with our [surveys Privacy Notice](#). We will publish the anonymised results on our website when the survey has closed.

Thank you to all those that have already completed the survey.

Carrying Over Annual Leave for MPs' Staff

If you have cancelled annual leave and not taken all of your statutory entitlement (20 days excluding bank holidays) due to the pandemic, you will

be able to carry any remaining days over into the next two leave years.

Please email payroll@theipsa.org.uk to let them know how many annual leave days are being carried forward so that we can reflect this on your IPSA Online account.
