

## HOW TO TRANSITION

# YOUR PET'S FOOD

### DAY 1 + 2

New Food: 20%  
Old Food: 80%

### DAY 3 + 4

New Food: 40%  
Old Food: 60%

### DAY 5 + 6

New Food: 60%  
Old Food: 40%

### DAY 7, 8 + 9

New Food: 80%  
Old Food: 20%

### DAY 10 + FOREVER

100% New Food

If your pet experiences digestive upset during this time, slow down the process to let their digestive tract adjust to the new food.
