## **GO! SENSITIVITIES LIMITED INGREDIENT DIET GRAIN FREE LAMB RECIPE FOR DOGS**

“Our 100 pound bullmastiff, Rio, has been notoriously picky with an unpredictable tummy since she was a puppy. Last year we picked up our first bag of Go! Solutions Sensitivities and the positive changes were immediate. Rio was excited to eat her meals and had no stomach issues! And now, a year later, she is feeling amazing, full of energy and giving me those puppy dog eyes if I’m running late on her meals!! We highly recommend Go! Solutions Sensitivities!”

## **GO! SKIN + COAT CARE GRAIN FREE SALMON RECIPE FOR CATS**

“We initially wanted to find a good recipe for one of my cats who had a skin irritation. We knew it was important to look for wholesome ingredients when it comes to cat food so we took a chance on this recipe and we never looked back! Both our cats love this and go crazy every time we open the bag! Both their coats were so soft and shiny after eating this and they have been happy and healthy since!”
