

HOW TO TRANSITION YOUR PET'S FOOD

DAY 1 + 2

New Food: 20%
Old Food: 80%

DAY 3 + 4

New Food: 40%
Old Food: 60%

DAY 5 + 6

New Food: 60%
Old Food: 40%

DAY 7, 8 + 9

New Food: 80%
Old Food: 20%

DAY 10 + FOREVER

100% New Food

If your pet experiences digestive upset during this time, slow down the process to let their digestive tract adjust to the new food.
