

2025 Curative prescription coverage updates

The Curative Pharmacy and Therapeutics Committee regularly reviews and updates our formulary to continue providing affordable prescriptions that aid members in maintaining overall health. The below list highlights changes from 2024 to 2025.

Members on Texas fully insured plans will be subject to the changes at their plan renewal date, starting January 1, 2025. All members on fully-insured Georgia and Florida plans or all level-funded plans will be subject to changes starting January 1, 2025.

Members should discuss potential covered drug options with their prescribing provider. For more information about these changes, please feel free to contact Curative Member Services at 855-428-7284 or visit our email health@curative.com.
