

Say What?!

Get Costco

Hearing Aids for

\$0*

With Curative, members can receive their hearing aids through Costco for \$0 by completing the Baseline Visit*. It's easier than going through your doctor because a prior authorization is not required.

Costco Hearing Aid Perks**

- **Free cleanings and follow-up visits:** Receive complimentary cleanings and adjustments. Keep in mind, you'll need to reach out to Member Services to continue maintenance after one year.
- **Wide range of options:** Choose hearing aids that suit your needs and preferences.
- **Costco membership covered:** If you currently don't have a Costco membership, we'll provide you with a free basic-level Costco membership for one year.

Questions? Reach out to Member Services at 855-428-7284

**Every Curative member can qualify for the \$0 deductible or copay for in-network care and preferred prescriptions. Just complete a Baseline Visit in your first 120 days of plan effective date. See curative.com to learn more. Curative Insurance Company.*

***Curative is not affiliated with Costco. We do not endorse or warrant Costco hearing aids and services. For more information on terms and conditions, please go to <https://www.costco.com/terms-and-conditions-of-use.html>*

How It Works

- 1 If you don't already have a Costco membership card, reach out to Member Services at 855-428-7284 for assistance.
- 2 Pick up your Costco card from the membership counter and checkout using your handy Curative Zero Card – For more information on the Zero Card, visit curative.com/zero-card
- 3 Schedule a complimentary hearing evaluation at your nearest Costco.
- 4 After your evaluation, you'll be able to select the hearing aids that work best for you.
- 5 Once you're ready to checkout, give member services a call for approval, then your Curative Zero Card will be unlocked for use.
- 6 Come back for cleanings and follow-up visits as needed, and enjoy your new hearing aids (and Costco membership for one year!)

To find additional in-network hearing aid providers, go to curative.com/get-care for a doctor near you.
