

## **Electronic Funds Transfer (EFT) Enrollment for Providers**

Enrolling in EFT can help expedite the delivery of your payments from Curative, make it easier to reconcile patient accounts, and much more.

### **What is an EFT?**

Electronic Funds Transfer (EFT), also called direct deposit, transfers claim fee-for-service and capitated payments directly into your bank account. When you enroll in EFT, you can:

- Eliminate paper check mail delivery and handling.
- Access funds on the same day of the deposit.
- Increase efficiency and improve cash flow.

### **How Do I Enroll?**

- Complete the Curative [EFT Enrollment Form](#) online in its entirety.
- Email us a copy of your W-9 (must be dated within the past 6 months).
- Send us a copy of your Bank Letter that contains your banking information or a voided check.
- Please allow 7-10 business days for processing.
- Please email all information to [ProviderRelations@Curative.com](mailto:ProviderRelations@Curative.com) or fax it to Attn:  
**Curative Provider Relations.**
