

Sharpen your Wits,

A hidden gem inside The Cosmopolitan of Las Vegas where cuts and cocktails come together. The Barbershop basks the feel of your grandfathers honing company but with a dodgy twist. Come in for a cut or straight razor shave from some of the areas most renowned barbers. Lurking behind the unassuming janitor door awaits a prohibition style parlor with a nod to the great whiskey bars of the world. Furnished with swanky couches and rich finishes your barmaid awaits your order from craft beers to three fingers of whiskey. The Barbershop is a throwback to a time when whiskey and liquor were king, and word of mouth was gold.
