

The original Milos, founded in 1979 in Montreal, is Canada's most acclaimed fish and seafood restaurant. Now also in Las Vegas, we wish to share with you our passion for the highest quality of ingredients.

Our suppliers, who range from small, family owned fishing companies in the Greek islands and the shores of Morocco, Tunisia and Portugal, to independent North American fishermen in Pensacola, Florida, and the Bay of Fundy in Nova Scotia, are all dedicated to delivering fish and seafood with a commitment to absolute freshness, exceptional quality and with sound environmental considerations. It is for these reasons that prices and selection vary from day to day.

In addition to our superior fish and seafood, our cuisine consists of just as carefully selected vegetables, legumes, olive oil and fruits - all elements that form the basis of Mediterranean diet - complemented by our selection of appropriate and delicious wines.

Our simple preparation tries to preserve the distinct flavors and nutritional values of superior and fresh ingredients, and our presentation expresses our philosophy of harmony with nature.

Please ask our staff for today's selection of fresh fish, seafood, fruit and vegetables, and experience the pride with which we always provide a delicious and healthy meal.
