THE CHelsea

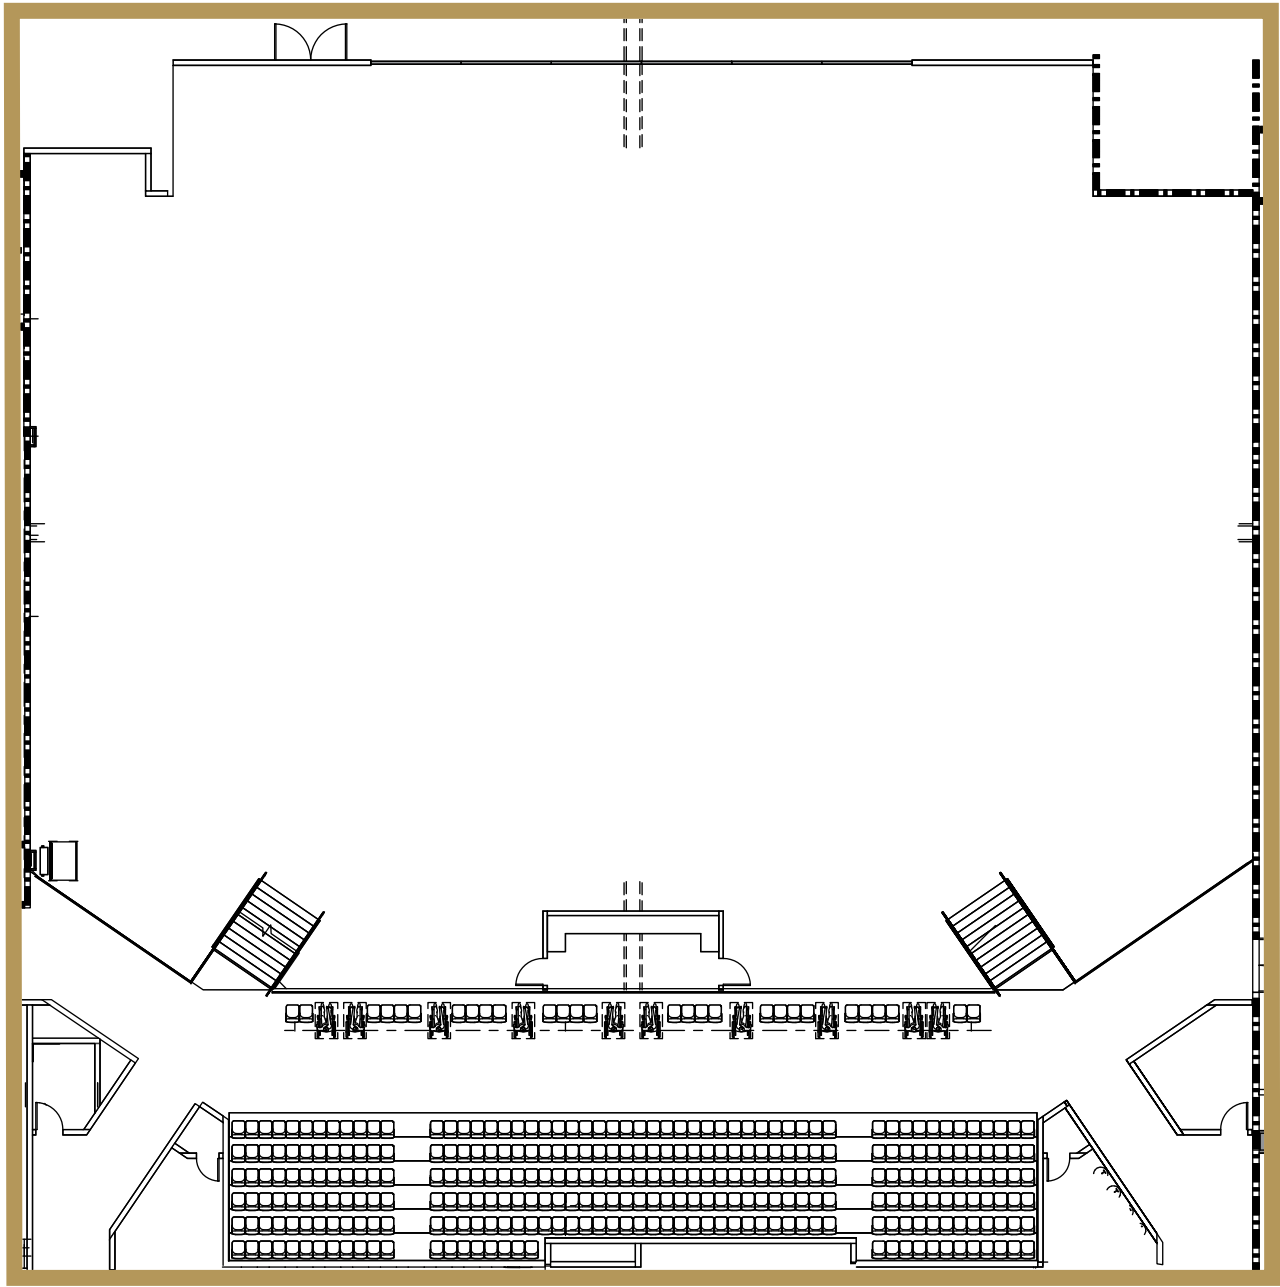

A new event and performance space in the heart of The Strip.

Inspired by some of the world's most iconic venues – Paris' Olympia, London's Apollo, Prague's Estates Theater – The Cosmopolitan of Las Vegas presents an unrivaled event and performance space, The Chelsea.

A stunning combination of industrial grit and artistic glamour, The Chelsea offers guests a more avant-garde approach to meetings and entertainment than currently exists in Las Vegas. Alluringly independent yet remarkably close to the bustling Boulevard just outside its doors, The Chelsea combines the glamour of a bygone era with the conveniences of the modern day— tailor-made design, the latest technology, purpose-driven planning services and a location just steps from the resort's restaurants, bars, gaming floor and hotel rooms.

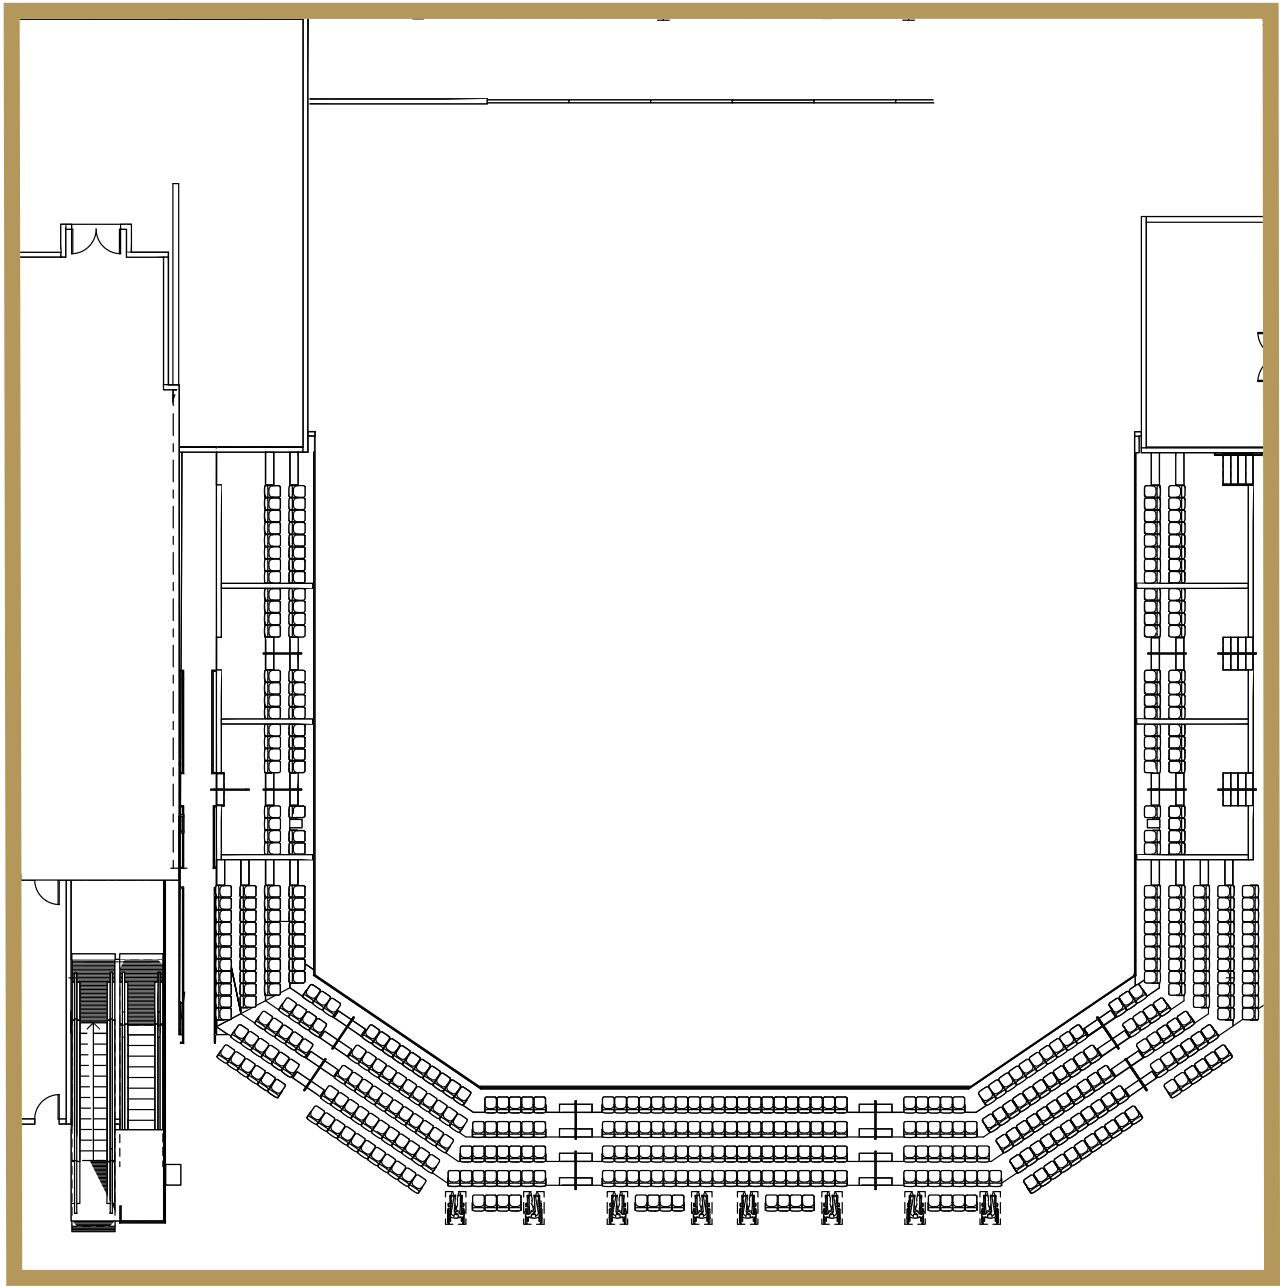

An abandoned glass factory turned working theater is the inspiration for this new venue, which features cast glass chandeliers, a vintage lobby bar, private VIP opera boxes and a decorative grand staircase. In addition, remnant brick tiling, an eclectic collection of stage production props and a state-of-the-art sound system create the ideal environment to bring your story to life.

A black box conception, The Chelsea adapts to cultivate the dynamic you desire. With 40,000 square feet of transformable space split over two levels, The Chelsea is a brilliant backdrop for intimate conversations as well as large scale productions. From concerts to banquets, classroom settings and sporting events, The Chelsea offers spectacular, one-of-a-kind experiences for conference and concert-goers alike.
