

Vesper

BAR

The name of our bar was inspired by the 1953 cocktail in the original James Bond novel,
Casino Royale.

The menu is separated into two styles: Classics and Reimagined. The Classics are a traditional rendering of the drink while the Reimagined interpretations are based on the original with a modern make-over that caters to the curious class.

Select a classic, try an inspired play on one,
or ask your mixologist to craft a beverage just for you.
